

DEPARTMENT OF THE ARMY
U.S. ARMY CORPS OF ENGINEERS, CHICAGO DISTRICT
231 SOUTH LASALLE STREET, SUITE 1500
CHICAGO IL 60604

September 24, 2024

Planning Branch
Planning, Programs and Project Management

Dear Recipient:

The U.S. Army Corps of Engineers (USACE), Chicago District has released for public comment the Draft Environmental Assessment (EA) on the effects associated with a proposed environmental infrastructure project located in Glenview, Illinois. The purpose of the proposed project is to provide stormwater storage and conveyance (Enclosure 1).

The Draft EA considers three alternatives to alleviate local flooding within the Village of Glenview, Illinois. The proposed action includes the construction of 1,700 linear feet of 8-inch PVC water main, 1,300 linear feet of 36-inch reinforced concrete pipe (RCP) storm sewer, 800 linear feet of 12-inch PVC to 24-inch RCP storm sewer, and 2,100 linear feet of roadway reconstruction with curb and gutter rehab in the public right-of-way (ROW) along Blackthorn Drive and Redbud Lane.

The 30-day public review period will be held from Tuesday, September 24, 2024 through Friday, October 25, 2024. As part of the public review period, USACE would appreciate any comments or concerns associated with the proposed work. Comments could be made on any potential effects to environmental and cultural resources of the proposed action. The Draft EA is available at:

<https://www.lrc.usace.army.mil/Missions/Civil-Works-Projects/Public-Review-Documents/>

Comments regarding the proposed action may be submitted via email or mail. Emailed comments should be sent to robbie.sliwinski@usace.army.mil. Mailed comments should be sent to the attention of Mr. Robbie Sliwinski (CELRC-PDL-E) at the U.S. Army Corps of Engineers, 231 South LaSalle Street, Suite 1500, Chicago, IL 60604. All comments should be postmarked or emailed by October 25, 2024.

Sincerely,

David F. Bucaro, P.E., PMP, WRCP
Chief, Planning Branch
Chicago District
