Army Prepositioned Stocks send strong message of deterrence

ROCK ISLAND ARSENAL, Ill. – Army Prepositioned Stocks is a game changer in terms of maintaining Army readiness, projecting resolve and deterrence to adversaries.

“It really reduces that closure time where the Army can project its force into an area during a time of need,” said Christine McCann, APS division chief, “and to satisfy the mission requirements that the Army is being asked to do within those regions.” [\(Click to read more\)](#)

Army team acts as main integrator for logistics support in Africa

VICENZA, Italy – As the main integrator for the 405th Army Field Support Brigade and U.S. Army Sustainment Command South of the Alps, the Logistics Support Team-Africa is responsible for providing support to U.S. Army Southern European Task Force, Africa as well as joint forces across the continent.

Everything may be bigger in Texas, but APS-2 supply clerk in Italy is happy where she's at

LIVORNO, Italy – They say everything is bigger in Texas. When Federica Auteri visited Texas to see her father's family, she was astounded by how big everything was. That was also true for the other places she visited while in the U.S. like Hollywood, Vegas and especially the Grand Canyon.
