NSA Naples Commanding Officer

Team Naples,

### Support for Those Impacted by California Wildfires

I want to take a moment to acknowledge the devastating impact of the wildfires affecting communities across California. To those with family and homes who may have been directly affected, my thoughts are with each of you navigating these difficult circumstances.

For those who are able, I ask that we continue to extend a helping hand to our fellow shipmates and colleagues. Even small acts of support, like checking in on someone, can make a meaningful difference.

### Celebrating the Navy All Year

This year we are celebrating the U.S. Navy’s 250<sup>th</sup> birthday. For 250 years, America’s Warfighting Navy has sailed the globe in defense of freedom. But America’s Navy does not operate alone. Thank you to our Sailors and civilians who are trained and ready with the right skills, tools and mindset to protect America’s interests around the world.

### ICE Feedback

My team will continue to listen and act on your feedback through ICE and other feedback channels. [See details about ICE on page 9.](#)

### Naples Navigator

Our monthly Newspaper serves as a valuable resource to our community. I encourage you to explore [previous editions here](#), as they contain useful guidance and relevant information. Staying informed helps us all stay connected and prepared.

### Base-wide Meetings

I am encouraging all stakeholders to check out the list of important base-wide meetings aimed to support all tenant commands. Participation in these meetings is important to ensure that we better serve you and the community.

# Navy Celebrates 250 Years

America’s Navy has promoted prosperity and security, deterred aggression, and protected the American way of life for 250 years.

NSA Naples is proud to be a part of this journey since creation in 1951, providing a forward-deployed operational platform to the Fleet, enabling the warfighter, and supporting the family. We will continue to support U.S. Naval Forces Europe-Africa, U.S. SIXTH Fleet, NATO, and Combatant Commander's strategic priorities by providing air and port operations, force protection, emergency services, logistical and administrative capabilities, and essential quality of life products and services to the Fleet, joint and allied forces to ensure stability in the European, African, and Central Command areas of responsibility.

*From seabed to space, the Navy delivers power for peace – always ready to fight and win alongside our Allies and partners.*

## Fire Department Strengthens Partnerships Through Multi-Agency Cooperation

By: Fire and Emergency Services

NSA Naples Fire and Emergency Services (FES) is focused on fostering and enhancing international collaboration with the local firefighting agencies in Italy. As part of this initiative, FES personnel recently visited the Italian Fire Academy (Vigili del Fuoco) in Montelibretti, Rome.

The visit enabled the NSA Naples FES team to engage with Italian Fire Academy instructors, training officers, commanders, and recruits. “This unique experience facilitated cross-cultural exchange and knowledge sharing, underscoring the value of working together to enhance emergency response capabilities,” said Edgar Rubalcabra, NSA Naples assistant fire chief.

The Italian Fire Academy staff provided an exclusive tour of its state-of-the-art training facilities.

These facilities include live fire structures, shipboard and aircraft firefighting simulators, vehicle extrication scenarios, tunnel and subway firefighting drills, and confined space life safety training sites.

This engagement highlighted the academy's cutting-edge training capabilities but also inspired ideas for future collaborative training initiatives. The NSA Naples FES team represented by Rubalcabra, Enzo Bocolino, and Duane Zeldenrust, played a pivotal role in making this collaboration a reality.

This initiative laid the foundation for long-term training partnerships and strengthened the bond between NSA Naples and the Italian firefighting forces. The shared commitment to mutual learning and improvement has cultivated a spirit of camaraderie that transcends language and cultural differences.

Through this effort, NSA Naples and its Italian counterparts are poised to advance their emergency response capabilities, ensuring a safer future for both communities.

## Meet the New NSA Naples Fire Chief

Naval Support Activity (NSA) Naples is proud to introduce its new Fire Chief, Jason Kinlaw. As the NSA Naples Fire & Emergency Services leader, Chief Kinlaw brings a wealth of experience, professional achievements, and a steadfast commitment to safety and excellence to the installation and its surrounding community.

Chief Kinlaw’s fire service career spans a remarkable journey of dedication and growth which began as a municipal Firefighter/ Medic/ Diver. He went on to serve as a combat firefighter in a contractor role before joining the DoD as a firefighter for the U.S. Navy. Over the years, he has steadily risen through the ranks, serving as a Firefighter, Crew Chief, Training Officer, Regional EMS Chief, and most recently, Regional Training Chief for EURAFCENT.

Throughout his career, Chief Kinlaw has been recognized for his exemplary service and leadership. His awards include the Navy Fire & Emergency Services Life Saving Award, Navy Fire & Emergency Services EMS Provider of the Year, and the Outstanding EMS Leadership Award from the Tidewater EMS Council. These honors underscore his commitment to saving lives and advancing the fire service profession.

Chief Kinlaw says he is “honored to have the opportunity to lead the diverse team of U.S. civilians, Italian civilians, and Navy sailors to protect and serve the NSA Naples community.”

As the leader of NSA Naples Fire and Emergency Services, Chief Kinlaw is focused on fostering readiness, professional development, and innovation. Under his guidance, the department will continue to set the standard for emergency response and community safety, ensuring the highest level of protection for those who live and work on and around the installation.

# News in Brief: Around the Installation

**Blood Pressure Clinic at Support Site:** American Red Cross Naples - Service to the Armed Forces hosted a Blood Pressure Clinic at Support Site. Blood pressure numbers are key markers for heart health and should be checked regularly.

**USO Coffee Connections:** At Support Site, participants had a “craft-tastic” time at Coffee Connections! Alisha Powell led participants into the “cutting edge” world of Cricut, showing spouses how to create “cardstock masterpieces” and “vinyl visions.” With coffee, snacks, and creativity flowing, spouses explored all the possibilities this design tool offers. Keep an eye out for more fun-filled events ahead this year.

**Intercultural Relations Team Talks Coffee:** Naples Fleet and Family Support Center hosted a lesson about the history, tradition, and etiquette of the Italian coffee culture and how to make homemade espresso with traditional Italian Moka. Participants made connections while sipping coffee and enjoying treats.

**Kicking Off the New Year with Community Service:** The Naples Teen Center joined the Campania International Charity Club (CICC) to serve approximately 30 people with a hot lunch of chicken and rice. Volunteers brought a little Christmas cheer with passing out stockings to children with candy. Each family brought home a bag of food items, such as milk, rice, beans, biscuits and toys.

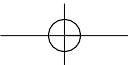

**USS Mount Whitney (LCC 20) Turns 54: “Team 20”** Sailors celebrated USS Mount Whitney’s 54th birthday with a cake cutting ceremony on the mess decks. Happy birthday Mount Whitney!

**U.S. Naval Support Activity Detachment Gaeta:** Sailors assigned to Naval Support Activity (NSA) Naples, Detachment Gaeta, conduct training evolutions.

**Students Attend Junior Leadership Seminar:** Before the winter break, Naples Middle-High School sent seven middle school students and Mrs. Parenteau to the DoDEA Europe Junior Leadership Seminar in Germany. This seminar serves as a foundational journey for young minds to develop into leaders in a globally interconnected community. At the event, students engaged in hands-on activities and workshops focusing on essential leadership skills. This included listening skills, leadership traits, effective decision making, time management, goal setting, and project management. The team is looking forward to bringing what they learned back to our community.

# Off-Base Housing: Security Deposits Transitioning to Electronic Payments

*This higher headquarter directed security deposit policy change aligns NSA Naples with all other DoD bases across the world and will enable personnel to experience the convenience of electronic payments.*

By NSA Naples Public Affairs

At the direction of higher headquarters, Commander, Navy Region Europe, Africa, Central (CNREURAFCENT), NSA Naples is transitioning to electronic fund transfer (EFT) for off-base housing security deposit to ensure that our personnel living off-base can expect the same processes and standards they would experience at all other DoD bases across the world.

If you're stationed in the Naples area, residing off-base, and paid your security deposit in cash, it will be returned to you electronically and you will pay it back to your landlord electronically. The housing office will contact you to sign two acknowledgement forms and a lease amendment to complete the process and go electronic.

This higher headquarter directed security deposit policy change aligns NSA Naples with all other DoD bases across the world and will enable our personnel to experience the convenience of electronic payments.

Electronic payment removes a layer of bureaucracy allowing tenants to receive their security deposit directly from the landlord instead of going through NSA Naples housing office. Quick and easy.

Furthermore, electronic payment is more convenient than taking a trip to the ATM to get cash and more secure than carrying cash around. Going electronic will also reduce and/or eliminate the potential for cash drain at installation ATMs.

In the modern era, electronic payments are the preferred method of monetary transactions for every other overseas station and keeps an electronic transaction history, vice dependence on paper payment receipts.

[CLICK HERE](#) for the new Off-base Housing Security Deposit Process Fact Sheet and Issue Resolution Fact Sheet.

For questions regarding the new security deposit process, contact the housing office at:  
[Naples\\_Housing@us.navy.mil](mailto:Naples_Housing@us.navy.mil)  
DSN: 629-4466  
Commercial: +39-081-629-4466

This change will **ONLY** affect tenant personnel residing off-base that have executed private lease agreements through the NSA Naples Housing Service Center (HSC) prior to 10 June 2024.

Personnel PCSing out of Italy by December 2025 will be grandfathered in and not be affected by this new policy.

The housing office will contact all concerned to sign two acknowledgement forms and a lease amendment to complete the process and go electronic.

## Your Questions Answered

[What if the landlord refuses to return the deposit?](#)

A landlord who fails to return the deposit to a tenant would be subject to immediate removal from the NSA Naples housing program. It is an extremely rare occurrence to see a landlord who fails to return a security deposit back to tenant here in Naples. Per the lease agreement, and in rare instances where security deposit dispute between tenant and landlord cannot be resolved through informal meeting with the housing office, either party will have all remedies available to them under the law. As a DoD personnel, if you are not getting the legal help you need, you should always engage your chain of command to escalate the issue through appropriate channels.

[Will the security deposit be returned in Euros?](#)

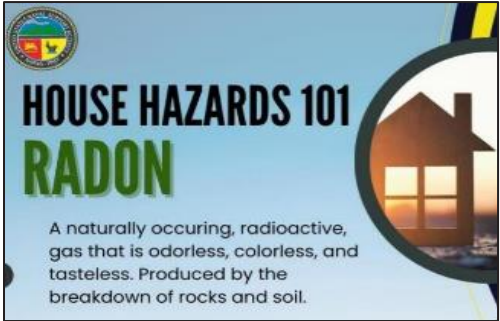

Deposits are electronically returned in Euros if you provide account information that includes an IBAN number linked to a Euro bank account. If a tenant has a U.S. bank account, they will receive the money in dollars. Most personnel that own a community bank account have reported that it makes security deposit, rent, and bill payments to Italian landlords much easier. Other personnel are known to use the wire transfer service known as Wise. As for the exchange rate, this fluctuates on a daily basis and each tenant may realize a positive or negative difference between transactions depending on when the transaction occurs.

[Is it my responsibility to inform my landlord about this policy change?](#)

No. The housing service center will explain the policy change to each landlord.

## Radon Awareness: 5 Things You Need to Know

*On-base residential and non-residential units, including off-base Government leased units are in compliance with the Navy Radon Management Program.*

**What are the health impacts of radon?**

Although radon exposure is the second-leading environmental cause of lung cancer death (after tobacco smoke), the benefit of screening for lung cancer has not been established. Currently, no effective, community-wide medical screening tests are recommended for the medical prevention or early diagnosis and treatment of radon-induced lung cancer. The U.S. Preventive Task Force Services does now recommend annual low-dose chest CT scanning in asymptomatic adults aged 50-80 who have a long smoking history regardless of any radon exposure.

**While NSA Naples has a known overall potential for elevated radon levels, classifying the installation as a Radon Potential Category (RPC) 1 according to NAVRAMP, the installation is complying with NAVRAMP testing and mitigation policies at government owned/controlled units. RPC 1 is simply the level assigned when even one unit or building is found on the installation with a radon level over the minimum threshold of 4.0 picocuries per liter (pCi/L).**

Information about **finding an at-home radon test kit** is available through the Environmental Protection Agency: [HERE](#)

Information about **testing your home for radon** and its health impacts is available through the Centers for Disease Control: [HERE](#)

## Naples Area Ombudsmen Embark on Cultural Exchange with Pompeii City Council

*Story by NSA Naples Public Affairs, Photo by Alicia Olsen*

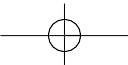

In a unique community relations initiative, facilitated by the Pompeii City Council, ombudsmen from various commands in the Naples area recently embarked on a cultural exploration of Pompeii, a historic city in the Campania region of Italy.

During their visit, the ombudsmen viewed frescoes, mosaics, and artifacts that have been preserved, and had the chance to engage with Italian nationals, gaining a deeper understanding of the region's rich culture and traditions.

“As official volunteers appointed by the command, ombudsmen serve as liaisons between command leadership and Navy families. They play a vital role in providing support, information, and resolving issues that impact the well-being of Sailors and Navy families,” said Tonya Douce, Naples Area ombudsman coordinator. “Through this cultural exchange, the ombudsmen were able to experience the warm hospitality and rich heritage of the Pompeii community.”

The event was also attended by Mayor of Pompeii Carmine Lo Sapio, NSA Naples Commanding Officer Capt. John Randazzo and Command Master Chief Darin Vazquez. Their participation underscored the importance of building strong relationships.

This initiative is part of an ongoing effort to enhance the connection between the NSA Naples military community and the local Italian communities. By fostering greater understanding and cooperation, NSA Naples aims to promote a positive and supportive environment for all members of the community.

# Naples Public Health Evaluation

## In-Focus: Food Safety in Naples

By: Josephine Schneider

### Food Inspection On-Base

One of Naples Public Health Evaluation’s enduring processes is food safety, which seeks to ensure that food sold at the Commissary on U.S. Naval Support Activity, Naples Support Site is safe to eat and undergoes a rigorous process by the U.S. Army Veterinary Command (VETCOM) who serve as the local food inspectors before entering the store to be sold. The Commissary has labeled the fresh produce to inform shoppers of the area from which the produce is grown. Much of the produce in the Commissary is from Germany and Northern Italy.

### Continuous Food Safety Monitoring

Food provided on base is monitored on an ongoing basis. The U.S. Naval Hospital Naples Preventive Medicine routinely inspects all dining facilities on base to ensure that food is properly stored, maintained, and prepared.

In accordance with Department of Defense Directive 6400.4, VETCOM ensures inspectors are stationed in the Commissary and consistently monitor food products; all food products are from VETCOM-approved sources that have been inspected; buying from approved sources is required for all meat, dairy, eggs, prepared vegetables and bottled water (fresh produce is exempt in Western Europe); proper facility sanitation; personal hygiene practices of food service workers; and education of food service managers and employees about food safety.

### Food Inspections Off-Base

The U.S. Government does not inspect restaurants or supermarkets off-base. Italy has a system in place to inspect Italian food facilities, markets, and suppliers. However, the health and well-being of all personnel and families in Naples is the base’s top priority. VETCOM inspects Italian food manufacturing facilities producing food that is supplied to U.S. military installations.

### Food Safety Tips

The U.S. Department of Health and Human Services provides valuable sanitary practices that can apply wherever you live in the world:

- Wash fresh fruits and vegetables thoroughly with potable water prior to eating or cooking.
- Immune-compromised people should consume only cooked fruits and vegetables.
- Use separate cutting boards, plates and utensils for uncooked and cooked meats to avoid cross-contamination.
- Use a food thermometer to make sure meat is cooked to a safe temperature.
- Refrigerate hot or cold leftover food within two hours of being served. Keep leftovers for three to four days when properly refrigerated.

If at any point you feel your health is being or may be impacted by the environment, please contact your primary care physician. If you have questions about any of NPHE enduring processes, or any other environmental life, health or safety issue, send an email to [Naples\\_LHS\\_questions@us.navy.mil](mailto:Naples_LHS_questions@us.navy.mil)

### What Is Naples Public Health Evaluation (NPHE)?

The Naples Public Health Evaluation is a comprehensive study of the health risks associated with potential exposure to chemicals in the environment resulting from the area’s waste disposal practices. The Campania region of Italy has experienced numerous challenges associated with trash collection, open burning of uncollected trash and illegal waste disposal practices. In response to health concerns expressed by U.S. Navy personnel in 2007, the Commander, Navy Region Europe, Africa, Central (CNREURAFCENT) contacted the Navy and Marine Corps Force Health Protection Command (NMCFHPC) to conduct a comprehensive public health evaluation to assess the potential health risks for U.S. personnel living in the Naples area. The NPHE was conducted from January 2008 to June 2011.

### What did the Navy learn from NPHE?

Through the Public Health Evaluation, the Navy has been able to identify and address public health risks for U.S. personnel living in the Campania region. The Navy established new health-protective policies and took immediate action to protect the health of U.S. personnel and their families. **Many of these health-protective policies remain in place, as enduring processes, to ensure continued health protection beyond the life of the study.**

### Where are the results of NPHE and where can I read more about this evaluation?

The NPHE results are located on the Health Awareness section at NSA Naples website: [Read More About NPHE](#)

## Your Health: Facts for Families in Naples

### About: Food On and Off-Base

*The U.S. Navy is committed to ensuring our families are safe while serving our country at home or overseas. The following information is provided as part of a wide-ranging effort to understand the health risks of our personnel and families living in Naples, Italy. A comprehensive Public Health Evaluation was conducted to assess potential short and long-term health risks associated with living in the Naples area (see left panel). In line with our commitment to continually share important health information, we encourage you to review the following information.*

In 2007, numerous reports of high dioxin levels and other chemicals in air, water, and soil created a concern amongst the U.S. Navy community that foods grown in the Campania region could be contaminated. Articles in newspapers and in some Italian scientific journals alleged links between adverse health effects and the toxic waste dumps in the Campania region. These articles implicated locally grown vegetables, fruits, and mozzarella di bufala as possibly contaminated foods.

As part of the Navy’s overall efforts to be protective of the health of U.S. military and civilian personnel and their families in Naples, the Navy and U.S. Army Veterinary Command (VETCOM) conducted an investigation of foods produced in the Campania region and sold in the Naples Gricignano D’Aversa Navy Commissary (Commissary). The food study was performed in February 2008.

VETCOM is the Department of Defense executive agent for food safety and quality assurance and is responsible for providing direct assistance to all DOD agencies requiring support with respect to food safety and food defense.

*Although there are multiple layers of health protection already in place for U.S. personnel purchasing food items at the Commissary, the presumed higher potential for environmental contaminants to be present in the Campania region led the Naples Public Health Evaluation team to conduct a food study. The study went beyond routine inspections of food products by performing various laboratory analyses, which are normally not mandated by VETCOM. Foods grown locally, particularly fresh fruits and vegetables, received a closer look.*

Using the above criteria, an assessment of the Commissary was conducted. Products that met the food study criteria and were thus evaluated in the study included:

• Artichokes

• Celery

• Spinach

• Cabbage

• Chicken

• Carrots

• Mushrooms

# Naples Area Security Working Group Convenes to Foster Local Law Enforcement Collaboration

*By NSA Naples Public Affairs*

The Naples Area Security Working Group (NASWG) recently gathered onboard U.S. Naval Support Activity (NSA) Naples to explore opportunities for strengthening partnerships with local law enforcement agencies and other security entities in the Naples area.

This quarterly meeting brought together a diverse group of security experts, including representatives from Navy Region Europe, Africa, Central (EURAFCENT), NSA Naples, the U.S. Consulate Naples, NCIS, and several Italian law enforcement agencies including the Carabinieri.

“NASWG is an enduring collaborative approach to reduce property crimes of opportunity for Naval Support Activity and supported commands, Joint Forces Command Naples, and U.S. Consulate community members,” said Lt. Cmdr. Dary Sampy, NASWG chair and NSA Naples security officer.

“The working group collects reported crime data and perform trend analysis to create products which will educate and inform the community on crime statistics and prevention techniques.”

The NASWG is a key component of the Naples Area Security Committee (NASC). The NASC plays a vital role in promoting a safer community through education, awareness, information sharing, and policy development. The NASC is comprised of two main bodies: the Naples Area Executive Steering Council (ESC) and the NASWG. The ESC, which includes senior leaders from the U.S. Consulate in Naples, NAVEURAF, Allied Joint Force Command, and NSA Naples, provides strategic guidance on policy development.

One of the NASWG's flagship initiatives is the quarterly Naples Area Crime Trend Report. This report provides valuable insights into crime trends and patterns in the Naples area, enabling community members to stay informed and aware of their surroundings. By regularly monitoring and analyzing crime data, the NASWG helps to ensure that community members, prospective personnel and families can make informed decisions about their safety and security.

The group encourages community members to never leave valuables unattended and in plain view inside homes/vehicles and to Lock windows and doors especially at night and when not in the house.

## NSA Naples Boosts Security Readiness with Intensive Force Protection Drills

*By NSA Naples Security Office*

The Naval Security Force (NSF) at NSA Naples recently conducted a comprehensive series of force protection drills, designed to sharpen the skills and enhance the preparedness of its security teams. The exercises involved a range of scenarios, including simulated apprehensions and takedowns, which enabled the security personnel to hone their techniques and response times.

Through this rigorous training, the NSF reinforced its commitment to providing exceptional security support to the community, particularly during critical situations. By refining their skills and response protocols, the security teams at NSA Naples are now even better equipped to respond quickly and effectively, delivering vital protection and support when it matters most.

## Bulk Trash Pick-Up on Support Site

Support Site residents have the convenience of scheduling bulk trash pick-ups to remove larger items, such as discarded holiday decorations, worn-out furniture, and other bulky materials that have accumulated during the festive season. This service aims to simplify the process of waste disposal and contribute to a cleaner, more organized neighborhood.

To take advantage of this service, follow these steps:

1. **Schedule Your Pick-Up:** Please contact the trouble desk at +39-081-811-4285/4286 DSN: 629-4285/4286 or submit a request on our community website here: [Family Housing Service Request](#) to schedule a bulk trash pick-up, which are usually conducted on Mondays and Fridays. This ensures that our waste management team can plan routes efficiently. If you have any special instructions for the pick-up team, such as the need for extra assistance or the presence of hazardous materials, please communicate this during the scheduling process.
2. **Prepare Your Items:** Place your bulk trash items at the designated pick-up location on the scheduled day. Make sure items are easily accessible and do not obstruct sidewalks or roadways.
3. **Separate Recyclables:** Take a moment to separate recyclable materials from non-recyclables. This helps in our commitment to sustainability and environmentally friendly waste disposal practices.

## Moving To The Economy After A Year Living On-Base

### How to Terminate Your Stay in Government Quarters

If you plan to leave base housing for any reason, including a Permanent Change of Station (PCS), it is required to provide a 30-day notice. For those interested in moving to the economy, please be aware that you must complete 12 full months in your assigned government quarters before moving off of Support Site. You can make the request 60 days prior to your 1 year mark. Once eligible, your first step is to email [naples\\_housing@us.navy.mil](mailto:naples_housing@us.navy.mil) to request approval. After placing a house on permanent hold, you will need to contact Family Housing to schedule an intent to vacate appointment. If you do not schedule this appointment it may delay you moving out of government quarters.

#### 1<sup>st</sup> Appointment at Housing Service center

The Assignment office is located at the Support Site Family Housing Building 2072 and is open Monday through Friday, from 7:45 a.m. Until 3:45 p.m. Contact the office at DSN 629-4930 to schedule your first appointment.

Bring a copy of your PCS orders to this first appointment. You will complete an "Intent to Vacate" notice and schedule your preliminary and final inspections. The Assignment Counselor will arrange for loaner furniture to be delivered and picked up.

#### 2nd Appointment at your Apartment

During the pre-inspection of your home, the Housing representative will inform you of what will be expected at the final checkout, as well as take notes of needed repairs. During the pre-inspection, be sure to ask any questions you may have concerning items that have been lost or damaged.

This inspection will take approximately 60 minutes. Please make arrangements to keep this pre-inspection appointment. Missing the appointment will slow up the vacating process.

#### 3rd Appointment at your Apartment

You must have a final inspection of your home in order to complete your requirements for vacating government quarters before PCSing. To complete the final inspection it is important to have all personal property removed prior to your scheduled appointment.

At the final inspection, a Housing representative will examine the residence in the following areas: condition and cleanliness of quarters; and inventory, condition and cleanliness of government equipment, appliances and loaner furniture. During the final inspection, you will sign a memorandum indicating the date that you passed your final inspection and vacated quarters.

Following your final inspection you will need to report to the Assignment Office for your final BAH and signature of the check-out sheet.

## Dryer Safety

Doing laundry is most likely part of your everyday routine. However, did you know how important taking care of your clothes dryer is to the safety of your home? With a few simple safety tips you can help prevent a fire.

1. Do not use the dryer without a lint filter.
2. Make sure to clean the filter before each load and never put plastic in the dryer.
3. If you notice an issue with your dryer please call us.  
Economy Resident: 081-811-4242 Family Housing: 081-811-4285.

## How Sponsors Can Assist Prospective Gains with Housing Needs

As a sponsor, it's essential to assist your incoming personnel by ensuring they complete the Housing Early Assistance Tool (HEAT) application. This proactive step allows them to select their base housing prior to their arrival with your help. To facilitate a smooth transition, please contact us two weeks prior to their arrival date to schedule an appointment with Family Housing for showings of available apartments. During this appointment, you can pick up the keys and view the apartments. Additionally, you have the option to video call the incoming service member to assist in their selection. Once an apartment is selected, we will schedule loaner furniture to be delivered, enabling them to completely bypass Temporary Lodging Allowance (TLA). This streamlined process ensures a seamless move-in experience for your incoming personnel.

## Housing In-Brief

While area orientation is held at the Support Site Theater every other week, please note that housing offers its own brief during the alternate weeks at our Family Housing Office. Don't wait to check-in with housing. You are required to check-in within 3 days of arrival. We are here to support you! Be sure to also take advantage of our HEAT application for a smoother process.

## Housing Early Assistance Tool

The Housing Early Assistance Tool (HEAT) assists Service Members (SM) and their families in applying for housing Navy wide. HEAT allows SM and their families to get the housing application process started at one or more Navy installations online before or after they receive their permanent change of station orders. HEAT is available to any SM at all Navy installations. HEAT creates an easy user experience to connect with your destination. Spouses can use the application as well, needing only minimal information about their SM. A housing referral professional will be in touch within 2 business days. Access the link below:

# Unaccompanied Housing Bits

## Smoking in Government Quarters

Smoking is strictly prohibited inside all government buildings, including Unaccompanied Housing (UH) facilities. This ban extends to balconies as well. Additionally, the use of hookahs, e-cigarettes, and vapes is also prohibited. If you are caught violating these rules, you may face disciplinary action.

Smoking not only poses serious health risks but also creates fire hazards and affects air quality for others. According to the U.S. Centers for Disease Control and Prevention, smoking remains the leading cause of preventable disease and death, responsible for over 480,000 deaths each year in the U.S. alone. Secondhand smoke exposure can cause heart disease, lung cancer, and respiratory issues in non-smokers.

Please respect these regulations to ensure a safe and healthy environment for everyone.

NSA Naples:  
Interactive Customer Evaluation (ICE) System

Every feedback is welcomed, good or bad, that’s the surest way to help the installation improve services and quality of life in the community

By NSA Naples Public Affairs

The Interactive Customer Evaluation (ICE) system is a web-based tool that collects feedback on services provided by various organizations throughout the Department of Defense (DoD) including here at NSA Naples. Feedback can be positive (give a shout-out) or negative (report an issue). A combination of both is what helps us improve our services to better serve you.

Benefits of ICE:

- Allows community members to quickly and easily provide feedback to service provider managers on the installation.
- Gives NSA Naples leadership timely data on service quality.
- Allows service provider managers to benchmark their performance against like services in other DoD organizations.
- Saves money by providing an enterprise-wide capability to manage the resources necessary to collect and report on customer feedback and satisfaction ratings.

Do I get a response after submission?

Generally, if you provided contact information at the time of submitting an ICE Comment, it will be responded to within two weeks.

Response to your ICE Comment

**COMMENT:** I called the emergency housing number on 12/26 around 6:40 pm for a gas issue with our stove. I was told that since it was an Italian holiday that there was nobody working and I would have to call back in the morning. Please advise what or who should we call for emergency housing issues if it happens to fall on an Italian holiday.

**RESPONSE: ON-BASE HOUSING:** In the event of an emergency such as fire or gas leak, the Housing Office advises on-base residents to call NSA Naples emergency dispatch at (+39) 081-568-4911 from a cell phone or 911 from a DSN phone. DO NOT call 911 from a cell phone. The Fire Department will respond and address the issue. If the Fire Department confirms there is a gas leak, then they will close the gas valve and the housing contractor will address the issue on the next workday. For on-base housing non-life threatening emergencies, call (+39) 338-946-2227.

**OFF-BASE HOUSING:** In the event of an emergency such as a fire or gas leak, the Housing Office advises off-base residents to call NSA Naples Emergency Dispatch at (+39) 081-568-4911 from a cell or commercial phone. For non-life threatening home emergencies for off-base residents, call (+39) 081-568-5638/ 5639. In turn, Emergency Dispatch will call the on-call an economy housing representative who will immediately address the issue.

Best way to submit an ICE comment?

- Visit the [ICE](#) website
- Navigate to the appropriate service provider managers link
- Input your comments and be specific
- Recommendations are welcomed
- Provide contact info if you require a response

Your ICE Comment Shout-outs!

FFSC

My experience with FFSC counseling has changed my life. I'm grateful that this service was available to me.

CARNEY PARK

The staff at Carney Park is always so kind, polite, and accommodating. They really make you feel like family and it is always such a great experience holding events there at Carney Park. The staff makes up for what the infrastructure lacks!

FIT FORUM

I just wanted to say how much I appreciate the fitness manager for always being present and ready to help. They're often at the front desk, making sure everything runs smoothly and providing support to both customers and staff. Their friendly attitude and willingness to step in whenever needed really make a difference in our day-to-day experience. It's great to have someone so dedicated to creating a positive environment for all of us! Thank you for all that you do.

MVRO

I did not know an appointment was needed and Ms. Catalano assisted me in-between other appointed clients.

POST OFFICE

I just wanted to highlight RS2 Dait and his excellent customer service. There was an issue with my scanning code to receive mail and RS2 took the time to find out why, contact Capodichino, and get me my package. Situations like this can be pretty stressful but RS2 made me feel very well taken care of. BZ!

## Local Lens: Unveiling Campania’s Hidden Gems

The Spartakus Amphitheater

*By Paolo Cutillo, Contributing Writer*

Just a short drive from Naples and Support Site lies a hidden gem of Roman history waiting to be explored: the amphitheater of Santa Maria Capua Vetere. Known as the “Little Colosseum,” this impressive structure is not only the second-largest amphitheater of antiquity after the iconic one in Rome but also a treasure trove of stories that bring the gladiatorial era to life.

Built in the 1st century A.D. under Emperor Augustus and later expanded by Hadrian, the amphitheater of Santa Maria Capua Vetere hosted gladiatorial combats, wild animal hunts, and other spectacles. It was here that Spartacus, the legendary gladiator who led the most famous slave revolt against Rome, began his story.

Walking through its ancient corridors and beneath its arched tunnels, you can feel the history around you. The site’s sheer size and the remarkably preserved underground passages offer an immersive experience that rivals its more famous Roman counterpart.

Adjacent to the amphitheater, the Museum of the Gladiators serves as the perfect complement to your visit. This small but fascinating museum showcases artifacts, detailed models, and exhibits that delve into the daily lives of gladiators. You will find helmets, armor, and sculptures that reveal not just the brutal reality of the games but also the cultural significance of these warriors in ancient Rome.

Santa Maria Capua Vetere isn’t just a haven for history enthusiasts—it’s also a charming destination for families. The town is dotted with family-friendly restaurants where you can savor authentic Campanian dishes. For those seeking a more leisurely day out, nearby parks and open spaces provide opportunities for picnics or a peaceful afternoon stroll.

Santa Maria Capua Vetere offers a unique blend of history, culture, and local hospitality. So why not step off the beaten path and uncover one of Campania’s best-kept secrets? The “Little Colosseum,” where Spartacus once walked, awaits.

Security

Reserved Parking Requirement

When parking in designated parking spaces onboard NSA Naples Support Site and Capodichino, personnel must display their associated parking placard.

*Failure to display the placard may result in ticketing and/or booting of your vehicle*

General OPSEC Reminders

Assume that anyone can see information you post and share regarding your activities, whereabouts, and personal or professional life.

- Everyone should be careful with who they friend on social media and who follows them. Not everyone who wants to be a friend or follower is who they claim to be.
- Be mindful of others attempting to use social presence as a means of targeting individuals.
- Only establish and maintain connections with people you know and trust.

# NSA NAPLES RESPIRATORY ILLNESS GUIDANCE

## All Respiratory Illnesses

### To Return to Work, you must be:

- 1. Fever-free for 24 hours without fever-reducing medications with symptoms improving
- 2. Wear a well-fitting mask for 5 days after symptoms started while indoors, keep a distance from others, and enhance hygiene practices

### Notes:

NEGATIVE TESTS ARE NOT REQUIRED TO RETURN TO WORK  
ROM IS NO LONGER REQUIRED FOR COVID-19  
IF YOU ARE SICK, STAY HOME!

## Definitions and Recommendations

If exhibiting symptoms of an infectious respiratory disease, including colds, influenza, and COVID-19, should not come to the workplace or conduct official travel until symptoms have begun to resolve. Symptoms of an infectious respiratory disease may include fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea.

Commanders and supervisors should permit symptomatic individuals to utilize situational telework when possible.

It is highly recommended to remain up-to-date with all vaccines as they become available.

## Easing Access:

New DOD process makes base access easier to eligible disabled veterans seeking to use commissary, exchange, certain MWR benefits

*By DeCA Corporate Communications*  
**FORT GREGG-ADAMS, Va.** — The Department of Defense (DOD) recently announced measures to improve installation access for eligible disabled veterans wanting to use their commissary, exchange and certain morale, welfare and recreation (MWR) benefits. As of Nov. 1, disabled veterans who do not have a VA-issued Veteran Health Identification Card (VHIC), as well as eligible caregivers, can now enroll for installation access at the base’s visitor center using their REAL ID Act-compliant driver's license or non-driver's identification card....**To read more, [CLICK HERE.](#)**

## Naples Commissary Transitions to Recyclable, Reusable Shopping Bags

Naples Commissary transitioned from providing shopping bags to offering fully recyclable and reusable shopping bag options for purchase beginning 22 January 2025. The Commissary have all bags available for purchase at the entrances to the self-checkout lanes and register queuing line.

- New shopping bag options:
- Large Recyclable Bag: \$0.09
  - Large Paper Bag with Handles: \$0.14
  - Full Assortment of Designer Reusable Bags: \$0.46 to \$4.36

The Defense Commissary Agency has been a leader in energy, water, and solid waste reduction, as well as implementing a robust recycling program. This change will work to continue these efforts and encourage customers to reuse shopping bags.
