## CFAY Creates a Landing Page for Personnel and Family Members Affected by the Installation's Power Outages

### Story by CFAY Public Affairs

Commander, Fleet Activities Yokosuka (CFAY) recently created a landing page on the command's official website for personnel and family members affected by the installation's power outages.

The webpage, <https://cnrj.cnic.navy.mil/Installations/CFA-Yokosuka/Operations-and-Management/Public-Works/Power-Outage-FEB2025/>, provides the required documents affected members will need in order to process claims and reimbursements.

The forms include the latest Commander, Navy Region Japan policy concerning payment of Temporary Lodging Allowance (TLA), CFAYNOTE 7220 on Special Circumstance Temporary Lodging Allowance Due to Utilities Outage, Personnel Claims Packets with guide, and a flow chart intended to help minimize confusion.

Before beginning any claims processing, it is highly encouraged to view the Special Circumstance TLA Flow Chart by visiting the link above.

Special Circumstance TLA is authorized for all affected personnel and family members who did not secure lodging. Special Circumstance TLA helps recover costs associated with meals and incidentals. Contact the CFAY Navy Housing Office for more information.

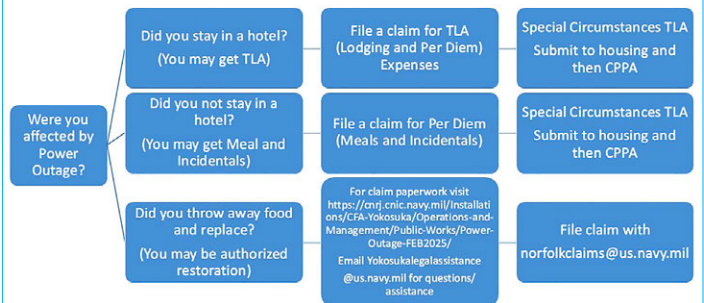

Interim TLA is authorized if the family secured lodging and on an authorized day. Families who meet this criteria should bring their lodging receipts to the CFAY Navy Housing Office to begin the filing process.

All TLA requests will ultimately be submitted to the member's Command Pay and Personnel Administrator (CPPA). Contact your Chief or Command Master Chief for more information.

Personnel who had food spoil or lost during the power outage should first choose the How to Fill a Claim Packet FAQ link and then select the Personnel Claims Packets link. Region Legal Service Office Western Pacific's Yokosuka Legal Assistance Office staff can help fill out the paperwork. Once complete, claims are filed with Personnel Claims Unit Norfolk.
