End of Heating/Start of Cooling

- In support of preventive maintenance, CFAY maintains an HVAC changeover period between the heating and cooling seasons.
- March 24, heating will start to be turned off sequentially, as required for PWD to perform maintenance and convert the systems.
- Dates of specific community interest:

Unaccompanied, Family Housing, DoDEA cooling turned on no later than April 14

- Some areas may experience minor gaps in heating and cooling due to maintenance and system changeovers
- The preventive maintenance reduces the need for repairs during the cooling season, when air conditioning is most valuable. We appreciate everyone's patience during this period.

- During changeover, if your area is too hot before PWD has reached your facility, please turn your thermostat to "off" and open doors and windows to maximize natural ventilation.
- Once in use, cooling must be set no lower than 78°F/25.5°C [Housing 76°F / 24.5°C]

Top Five Things You Should Know About USNCC

- All Mandatory Costs Covered**
USNCC covers the cost of tuition, course materials, and course fees for each class taken with USNCC.
- No Minimum Time in Service Requirement**
There is no minimum time in service for Sailors to be eligible for USNCC. In fact, Sailors who are in their first enlistment are prioritized for USNCC's degree programs. Sailors must have at least 180 days left on active duty from the first day of class to be eligible.
- Does Not Affect TA's Lifetime Credit Limits**
USNCC is not a TA-funded degree program, this means Sailors can attend USNCC to finish their associate degree, and still have 120 lifetime TA credits to complete their bachelor's degree, master's degree or a certificate.
- All Degrees Have a Pre-Established Pathway to a Four-Year Degree**
As part of the consortium agreement with each partner institution, every degree has a pre-established pathway to a four-year degree with little to no loss of credit. This means the associate degree will transfer fully into a bachelor's program identified before beginning your educational journey.
- Every USNCC Student has Two Student Success Coaches**
Each USNCC student will be assigned two student success coaches upon enrollment into the program. One of the student success coaches will be a staff member of USNCC and the other student success coach will be a staff member of the partner institution to help keep you on a path to success.
