[From Info to Impact: Latest Edition of the Knowledge Management Newsletter has been Published](#)

The latest edition of the Knowledge Management Newsletter, KM Signal, is now available! We highlight innovative practices, spotlight KM success stories, and share tools to help you streamline information flow across your teams. Whether you're new to KM or a seasoned pro, there's something valuable for everyone. Take a moment to explore and stay connected to the power of shared knowledge.

[HHC 21st SIG BDE Honors Fallen Heroes with Memorial Day Murph Challenge](#)

The Brigade HHC reflected on the sacrifice of those who came before us by joining the companies of 302nd SIG BN as they completed the Murph Challenge. The Murph Challenge is a workout that honors the legacy of Navy SEAL and Medal of Honor Recipient, LT. Michael P. Murphy, who paid the ultimate sacrifice during a fierce firefight in Afghanistan in 2005.

[2d SIG BDE Unveils the S4 Property Accountability Report & Tool](#)

By integrating data-driven accountability, Logistics Management personnel are empowered to respond with increased agility, conduct more thorough audits, and achieve greater accuracy in resource management. This initiative not only boosts operational efficiency and standardization but also enhances tracking capabilities, resulting in a more streamlined and proactive approach to property oversight.

[Soldiers Sharpen Lifesaving Skills with Tactical Combat Casualty Care Training](#)

44th SIG BN's dedicated members from the HHC took part in an essential Tactical Combat Casualty Care training event. This isn't just about learning to save lives — it's about building confidence and skills that are vital under pressure.

[Team 54 Honors Legacy and Unity with Foundation Day Celebration at Camp Buehring](#)

Team 54 celebrated Foundation Day in Camp Buehring with the USANEC-B Team. Keeping the spirit of the proud history and legacy of the unit, the Soldiers came together to celebrate unity through healthy competition with the “Venomous Hunt” PT event and honoring those whose achievements have been recognized during the month of April.

[Forged in Teamwork: 1st SIG BDE Reflects on a Month of Readiness and Resolve](#)

These accomplishments showcase their unwavering commitment to maintaining a posture of readiness and professionalism; standing eager to accomplish whatever mission or task that might come. The unit remains steadfast in their commitment to readiness and in supporting one another through every mission.

[509th SIG BN Celebrates Legacy and Unity at Annual South of the Alps Ball](#)

The 509th SIG BN proudly celebrated its Annual South of the Alps Ball, honoring the unit’s rich history and enduring legacy. The evening brought together Soldiers, leaders, and guests in a meaningful tribute to tradition, unity, and shared achievements.

[B/304th SIG BN Deploys TRILOS Antennas](#)

Soldiers and KATUSAs from B/304th SIG BN set up TRILOS antennas during the recent Battalion EXEVAL to establish terrestrial data network relay between two command posts. These network relays are a key capability to the battalion’s network-in-depth strategy to get the message through.

[21st SIG BDE and 302d SIG BN Unite for Tactical Fitness Challenge](#)

Two squads carried a litter and water jugs along a 2.5-mile route, stopping at various waypoints to complete exercises like flutter kicks and burpees. The event promoted physical readiness, teamwork, and unit cohesion through shared effort and determination.

[Army Launches Secure AI Platform “Ask Sage” to Enhance Communication, Efficiency, and Innovation](#)

The Army has launched the Enterprise LLM Workspace, featuring Ask Sage—a secure, AI-powered tool designed to boost communication, efficiency, and innovation. Hosted in the cArmy Cloud, it supports tasks like drafting content and refining personnel data, all within strict security standards. While this is not a NETCOM-led project, it represents a key step in the Army’s broader modernization efforts.
