# NETCOM *Buzz*

June 18, 2025

## [History and Transformation](#)

NETCOM hosted a global townhall that marked a pivotal moment in its ongoing transformation. To begin the event, a cake cutting was held to recognize the Signal Corps 165th Birthday, setting the historic tone of the event.

## [Army Birthday Run](#)

U.S. Army 7th Signal Command - Theater was out early to represent and celebrate at the Fort George G. Meade, Md Army 250th Birthday Run! The group posed for a photo, with Brig. Gen. Van Den Bosch and Command Sgt. Maj. Richardson in front, then the group completed the run with all smiles despite hot and humid weather. Happy 250th to the U.S. Army!

## [Ceremony of Freedom](#)

It's always a great morning when we get to engage with the community! We were honored to be invited to lower the U.S. Flag for Whittier Elementary School's last day today. Our Soldiers and Fort Detrick's Command Sgt. Maj. Detrich, greeted students on their way to the ceremony. Command Sgt. Maj. Detrich also spoke to the students following remarks from the principal.

## [2d TSB Unveils the S4 Property Accountability Report & Tool](#)

The 2d Theater Signal Brigade Data Engineering Office unveiled the S4 Property Accountability Report & Tool. This innovative tool streamlines accountability and transparency, ensuring efficient oversight for businesses, ultimately improving operational effectiveness and safeguarding valuable resources.

## [7th SIG celebrated the Army's 250th at a Heritage Day](#)

7th Signal Command (Theater) celebrated the Army's 250th Birthday at a Heritage Day event at Fort Meade's Argonne Hills Chapel Center, Friday, June 6 at 1:30 p.m. Military District of Washington Command Sgt. Maj. Jamila Whittington provided the keynote address, highlighting her 27-year career focused on helping mentor junior Soldiers to succeed.

## [44th ESB-E Honor John J. Pinder](#)

The Fighting 44th honored the memory of John J. Pinder Jr., a brave United States Army Soldier and Medal of Honor recipient. His courageous actions during World War II, especially at Omaha Beach, exemplify selflessness and dedication. Despite being severely wounded, Pinder risked his life to ensure vital communication equipment made it to the shore, playing a crucial role in the success of the Normandy invasion.

## [BG Holger Radmann Visits Brigade of Excellence](#)

2d TSB had the incredible opportunity to showcase their mission to German Brig. Gen. Holger Radmann, Commanding General, Regional Territorial Command Hesse - Landeskommando Hessen, during his visit to the Brigade of Excellence June 5, 2025. Building strong ties with our allies is vital not only for the success of the 2d Theater Signal Brigade but also for ensuring we can effectively counter cyber and electronic threats.

## [302D SB Carried Flag and Army Colors during 250-mile Ruck Celebrating Army 250](#)

Soldiers from the California Army National Guard, Reserve, Active Duty, and Civilians are marched in segments along a 250-mile route to Camp Parks in Dublin. Along the way, they carried the U.S. flag, the Army flag, and a binder with the names of Soldiers who gave their lives in service over the past 250 years.

## [1SIG Proudly Participated in KATUSA Friendship Week](#)

A celebration dedicated to honoring the partnership between U.S. Soldiers and their Korean Augmentation to the U.S. Army (KATUSA) counterparts. Strengthening the U.S.-ROK alliance is essential to maintaining a unified and capable force on the Korean Peninsula.

## [Future Engineers and Technologists visit NETCOM HQ](#)

As part of Team Fort Huachuca's ongoing dedication to community engagement and fostering the next generation of leaders, NETCOM headquarters was hosted students from the Willcox Theater and Arts, Engineer-Technology Institute Summer Program.
