# From Installation CO

By Capt. John Randazzo

NSA Naples Commanding Officer

Team Naples,

**Safe Driving in Naples is Paramount:** I encourage you to explore the vibrant culture of Naples and the surrounding region. However, your safety is my top priority, especially when driving.

Driving in Italy, particularly Naples, presents unique challenges. Roads are narrow, traffic can be heavy, and the driving style differs. Exercise extreme caution: Always wear your seatbelt, and ensure all passengers do too – it’s the law.

Be mindful of scooters, motorcycles, and varying right-of-way rules. Avoid distractions like cell phones – pull over if needed. Only park in designated areas to avoid towing.

Pedestrians are common; yield at crosswalks. Be aware of ZTL zones (Limited Traffic Zones) to avoid fines. Familiarize yourself with local traffic laws.

By practicing safe driving habits and maintaining awareness, you can enjoy your time in Naples. Remember, safety always comes first.

## ICE Feedback

My team continues to listen and act on your feedback through ICE and other feedback channels. [See details about submitting an ICE comment, response and shout-outs on page 9.](#)

# Navy Celebrates 250 Years

America’s Navy has promoted prosperity and security, deterred aggression, and protected the American way of life for 250 years.

NSA Naples is proud to be a part of this journey since creation in 1951, providing a forward-deployed operational platform to the Fleet, enabling the warfighter, and supporting the family. We will continue to support U.S. Naval Forces Europe-Africa, U.S. SIXTH Fleet, NATO, and Combatant Commander's strategic priorities by providing air and port operations, force protection, emergency services, logistical and administrative capabilities, and essential quality of life products and services to the Fleet, joint and allied forces to ensure stability in the European, African, and Central Command areas of responsibility.

*From seabed to space, the Navy delivers power for peace – always ready to fight and win alongside our Allies and partners.*

# CNREURAFCENT Tours NSA Naples Annex Bases JFC, Gaeta

By MC1 Matthew Nass, CNREURAFCENT PA

NAPLES, Italy – Rear Adm. Brad Rosen, commander, Navy Region Europe, Africa, Central (CNREURAFCENT), toured U.S. Naval Support Activity (NSA) Naples annex bases Joint Force Naples (JFC), and NSA Naples Detachment Gaeta (NSANDG) Aug. 21, 2025. Capt. John Randazzo, commanding officer of NSA Naples, accompanied Rosen, providing a guided tour focused on familiarizing the CNREURAFCENT commander with JFC and NSANDG capabilities. Randazzo highlighted the installations' operational importance in supporting military families, NATO allies, and maintaining regional security.

# Off-Base Housing: Security Deposits Transitioning to Electronic Payments

*This higher headquarter directed security deposit policy change aligns NSA Naples with all other DoD bases across the world and will enable personnel to experience the convenience of electronic payments.*

By NSA Naples Public Affairs

At the direction of higher headquarters, Commander, Navy Region Europe, Africa, Central (CNREURAFCENT), NSA Naples is transitioning to electronic fund transfer (EFT) for off-base housing security deposit to ensure that our personnel living off-base can expect the same processes and standards they would experience at all other DoD bases across the world.

If you're stationed in the Naples area, residing off-base, and paid your security deposit in cash, it will be returned to you electronically and you will pay it back to your landlord electronically. The housing office will contact you to sign two acknowledgement forms and a lease amendment to complete the process and go electronic.

This higher headquarter directed security deposit policy change aligns NSA Naples with all other DoD bases across the world and will enable our personnel to experience the convenience of electronic payments.

Electronic payment removes a layer of bureaucracy allowing tenants to receive their security deposit directly from the landlord instead of going through NSA Naples housing office. Quick and easy.

Furthermore, electronic payment is more convenient than taking a trip to the ATM to get cash and more secure than carrying cash around. Going electronic will also reduce and/or eliminate the potential for cash drain at installation ATMs.

In the modern era, electronic payments are the preferred method of monetary transactions for every other overseas station and keeps an electronic transaction history, vice dependence on paper payment receipts.

[CLICK HERE](#) for the new Off-base Housing Security Deposit Process Fact Sheet and Issue Resolution Fact Sheet.

For questions regarding the new security deposit process, contact the housing office at:

[Naples\\_Housing@us.navy.mil](mailto:Naples_Housing@us.navy.mil)

DSN: 629-4466

Commercial: +39-081-629-4466

This change **ONLY** affects tenant personnel residing off-base that have executed private lease agreements through the NSA Naples Housing Service Center (HSC) prior to 10 June 2024.

Personnel PCSing out of Italy by December 2025 will be grandfathered in and not be affected by this new policy.

The housing office will contact all concerned to sign two acknowledgement forms and a lease amendment to complete the process and go electronic.

## Your Questions Answered

**What if the landlord refuses to return the deposit?**

A landlord who fails to return the deposit to a tenant would be subject to immediate removal from the NSA Naples housing program. It is an extremely rare occurrence to see a landlord who fails to return a security deposit back to tenant here in Naples. Per the lease agreement, and in rare instances where security deposit dispute between tenant and landlord cannot be resolved through informal meeting with the housing office, either party will have all remedies available to them under the law. As a DoD personnel, if you are not getting the legal help you need, you should always engage your chain of command to escalate the issue through appropriate channels.

**Will the security deposit be returned in Euros?**

Deposits are electronically returned in Euros if you provide account information that includes an IBAN number linked to a Euro bank account. If a tenant has a U.S. bank account, they will receive the money in dollars. Most personnel that own a community bank account have reported that it makes security deposit, rent, and bill payments to Italian landlords much easier. Other personnel are known to use the wire transfer service known as Wise. As for the exchange rate, this fluctuates on a daily basis and each tenant may realize a positive or negative difference between transactions depending on when the transaction occurs.

**Is it my responsibility to inform my landlord about this policy change?**

No. The housing service center will explain the policy change to each landlord.

## Radon Awareness: 5 Things you Need to Know

*On-base residential and non-residential units, including off-base Government leased units are in compliance with the Navy Radon Management Program.*

By NSA Naples Public Affairs

Radon is a naturally occurring, radioactive gas that is odorless, colorless, and tasteless. Radon gas is released from rocks and soil and can move to air, groundwater, and surface water.

**How will I know if there is radon in my house? Can I smell it?**

No, radon is odorless, colorless, and tasteless. The only way to detect radon is through testing.

**How can I test my home if I live in a government owned/controlled unit?**

In compliance with the Navy Radon Assessment and Mitigation Program (NAVRAMP), NSA Naples on-base residential and non-residential units, including off-base Government leased units are either tested or mitigated or currently being tested. If you ever receive notification from the base that your home or office space has elevated levels of radon above the EPA and Navy action level (4 picocuries per liter or higher), or have health concerns about exposure to radon, please contact your medical provider.

**How can I test my home if I live off-base on the economy?**

Personnel that live off-base have entered into a private contract with their landlord, therefore limiting the scope with which the U.S. government may intervene or have control over said contract. However, DoD personnel living off-base can work with their landlord to test for and mitigate radon, if desired, at their own expense. The lessee may work with the lessor to address any identified issues, as outlined in Section 19 of the NSA Naples housing lease.

**What are the health impacts of radon?**

Although radon exposure is the second-leading environmental cause of lung cancer death (after tobacco smoke), the benefit of screening for lung cancer has not been established. Currently, no effective, community-wide medical screening tests are recommended for the medical prevention or early diagnosis and treatment of radon-induced lung cancer. The U.S. Preventive Task Force Services does now recommend annual low-dose chest CT scanning in asymptomatic adults aged 50-80 who have a long smoking history regardless of any radon exposure.

Information about finding an at-home radon test kit is available through the Environmental Protection Agency: [Link Here](#)

If you have specific questions about your home or your options, please contact our housing office for assistance at:

**While NSA Naples has a known overall potential for elevated radon levels, classifying the installation as a Radon Potential Category (RPC) 1 according to the NAVRAMP, the installation is complying with NAVRAMP testing and mitigation policies at government owned/controlled units.**

**RPC1 is simply the level assigned when even one unit or building is found on the installation with a radon level over the minimum threshold of 4.0 picocuries per liter (pCi/L).**

## PATRIOT EXPRESS ROUTE CLOSURES

STARTING OCTOBER 1, 2025

Effective October 1, 2025, Patriot Express (Rotator) flights to and from NSA Naples will be discontinued. The U.S. Transportation Command has determined, following a comprehensive study, that commercial flights offer a more cost-effective alternative. After this date, Permanent Change of Station (PCS) travel will utilize government-procured commercial transportation.

For DoD personnel and their families, prudent official travel planning in and out of the Naples area is paramount. Understanding travel requirements and the available options are key in travel planning. Working with your command travel office (Admin) and your chain of command can help set expectations and manage your travel needs efficiently.

For information on travel and transportation allowances for Uniformed Service members, Department of Defense (DoD) civilian employees, and others traveling at DoD expense, please consult the Joint Travel Regulations (JTR) website: [Joint Travel Regulations Website](#). The JTR covers topics such as per diem, travel and transportation allowances, pet travel, and relocation allowances.

Please direct any specific questions about your travel entitlements to your command travel office or Admin department.

## In-Focus: Air Quality in Naples

*By Todd Folts and Josephine Schneider*

### Checking Air Quality Outdoor

The website hyperlink below provides real-time data on Naples’ Air Quality Index (AQI) to help residents understand pollution levels and potential health implications. AQI is a measure of air pollution on a scale where higher numbers indicate poorer air quality. The AQI levels are divided into categories: Good (0-50), Moderate (51-100), Poor (101-200), Unhealthy (201-300), Severe (301-400), and Hazardous (401-500).

[Naples Air Quality Index \(AQI\) and Italy Air Pollution | IQAir](#)

The dashboard displays AQI readings across various locations in Naples, showing areas with higher pollution. Additional insights like health recommendations (e.g., wearing masks, using air purifiers) and historical AQI trends are also included, helping residents make informed decisions about outdoor activities. This is not an endorsement of this website, but an effort to keep our community here in Naples informed on the environmental conditions where we live.

### Air Quality in Naples – Sources

Vehicle emissions are among the primary contributors to Naples’ air pollution. The city’s dense traffic and reliance on cars and motorbikes result in high levels of NO<sub>2</sub> and other harmful pollutants that affect air quality, especially during peak travel times.

In addition, less frequent, natural events, like wildfires in Naples, contribute to air pollution and environmental damage.

Addressing these issues requires coordinated efforts between local authorities, industries, and the community to reduce pollution and to mitigate its long-term environmental impacts. It is also important to note the U.S. Naval Hospital Naples does not test or monitor the outdoor air quality across the region.

If at any point you feel your health is being or may be impacted by the environment, please contact your primary care physician. If you have questions about any of NPHE enduring processes, or any other environmental life, health or safety issue, send an email to [Naples\\_LHS\\_questions@us.navy.mil](mailto:Naples_LHS_questions@us.navy.mil)

### What Is Naples Public Health Evaluation (NPHE)?

The Naples Public Health Evaluation is a comprehensive study of the health risks associated with potential exposure to chemicals in the environment resulting from the area’s waste disposal practices. The Campania region of Italy has experienced numerous challenges associated with trash collection, open burning of uncollected trash and illegal waste disposal practices. In response to health concerns expressed by U.S. Navy personnel in 2007, the Commander, Navy Region Europe, Africa, Central (CNREURAFCENT) contacted the Navy and Marine Corps Force Health Protection Command (NMCFHPC) to conduct a comprehensive public health evaluation to assess the potential health risks for U.S. personnel living in the Naples area. The NPHE was conducted from January 2008 to June 2011.

### What did the Navy learn from NPHE?

Through the Public Health Evaluation, the Navy has been able to identify and address public health risks for U.S. personnel living in the Campania region. The Navy established new health-protective policies and took immediate action to protect the health of U.S. personnel and their families. **Many of these health-protective policies remain in place, as enduring processes, to ensure continued health protection beyond the life of the study.**

### Where are the results of NPHE and where can I read more about this evaluation?

The NPHE results are located on the Health Awareness section at NSA Naples website: [Read More About NPHE](#)

# Carney Park Pool Gets Modern Upgrade, Reopens for Naples Families

*By NSA Naples Public Affairs*

NAPLES, Italy—U.S. Naval Support Activity (NSA) Naples, Italy reopened its Carney Park pool Aug. 13, 2025 after a year-long renovation. Adm. Stuart B. Munsch, commander, U.S. Naval Forces Europe and Africa, chaired the reopening ceremony. The pool, originally opened 53 years ago, features modern circulation systems, an earthquake-resistant liner, and a heat-reflective deck. Munsch said the renovation

was crucial for preserving Carney Park, which has hosted over 15,000 guests this year and will celebrate its 60th anniversary next year. The park is open to U.S. service members, their families, NATO allies serving at Joint Force Command Naples, and local national staff. Munsch emphasized the importance of Carney Park, calling it "an operational requirement" that provides recreation and allows personnel to "recover, relax and to enjoy living in Southern Italy."

The renovation was completed by NAVFAC's Public Works Department, with special recognition given to Jessica Morelli-Good and the construction teams. NSA Naples MWR Director Jennifer Bardoni, Austin Holmes, and Megan Steinbergs were also recognized for their year-long planning efforts. Munsch also thanked the Vigili del Fuoco di Napoli, the local firefighting department, for their brush firefighting efforts to protect Carney Park.

## Italy's Museums and Archaeological Sites Free on Select Sundays

*By Teresa Merola*

Every first Sunday of the month, state museums and archaeological sites across Italy open their doors for free under the popular 'Domenica al Museo' (Museum Sunday) initiative. This program provides complimentary access to hundreds of state-run museums, archaeological parks, and monuments—though privately or locally managed sites are excluded, many cities offer their own similar programs. Key locations include the majestic Castel Sant'Elmo with its contemporary art exhibits and breathtaking views of the city, the historically rich Certosa e Museo di San Martino, and the world-renowned Museo Archeologico Nazionale di Napoli, which houses some of the most significant artifacts of Roman history. Other notable mentions are

the Museo e Real Bosco di Capodimonte, showcasing a mix of historic art and lush greenery, the intricate Museo della ceramica Duca di Martina in Villa Floridiana, and the elegant Palazzo Reale di Napoli, and the Royal Palace in Caserta. Additionally, the initiative encompasses archaeological areas like Pompei and Ercolano. All places rich in art, culture and charm, absolutely not to be missed. Sunday at the Museum involves not only metropolitan Naples but the whole of Campania, with many other important artistic and cultural sites featured in the initiative. A clear example is the Campi Flegrei Archaeological Museum in the Castle of Baia, one of the flagships of the Bacoli area. Not only Naples, Salerno also answers the call of Domenica al Museo. In fact, among the various sites, access to the Paestum

Archaeological Park will be free every first Sundays of the month. The scheme will run on the following dates: September 7th, October 5th, November 2nd, and December 7th. To avoid crowds, try to plan to visit the museums early in the day, pick two or three that interest you the most, and are easily accessible by public transportation or within walking distance from each other. The beauty of this initiative lies in the diverse range of artworks and historical artifacts, from ancient Roman relics to modern art pieces. This initiative offers an exceptional opportunity to experience Italy's diverse cultural heritage—from ancient Roman relics to contemporary masterpieces—while discovering the rich artistic legacy that defines Naples and the broader Italian cultural landscape.

### 30 Day Notice to Terminate Base Housing

It is important to know that if you are leaving base housing for any reason, including PCS you are required to give 30 day notice and you must contact the assignment office to schedule an appointment to do an intent to vacate.

#### 1st Appointment at Housing Service center

- The Assignment office is located at the Support Site Facility Building 2072 and is open Monday through Friday, from 7:45: a.m. Until 3:45p.m. Contact the office at DSN 629-4930 to schedule your first appointment.
- Bring a copy of your PCS orders to this first appointment. You will complete an “Intent to Vacate” notice and schedule your preliminary and final inspections. The Assignment Counselor will arrange for loaner furniture to be delivered and picked up. These appointments are by appointment only. Housing is unable to assist on a walk in basis.

#### 2nd Appointment at your Apartment

- During the pre-inspection of your home, the Housing representative will inform you of what will be expected at the final checkout, as well as take notes of needed repairs. During the pre-inspection, be sure to ask any questions you may have concerning items that have been lost or damaged. This inspection will take approximately 60 minutes.
- Please make arrangements to keep this pre-inspection appointment. Missing the appointment will slow up the vacating process.

#### 3rd Appointment at your Apartment

- You must have a final inspection of your home in order to complete your requirements for vacating government quarters before PCSing. To complete the final inspection it is important to have all personal property removed prior to your scheduled appointment.
- At the final inspection a Housing representative will examine the residence in the following areas: condition and cleanliness of quarters; and inventory, condition and cleanliness of government equipment, appliances and loaner furniture. During the final inspection, you will sign a memorandum indicating the date that you passed your final inspection and vacated quarters.
- Following your final inspection you will need to report to the Assignment Office for your final BAH and signature of the check-out sheet.

### Bulk Trash Service

Bulk waste is not permitted on or around any dumpsters or trash enclosures-including those at the NEX and DODEA facilities. Residents can schedule a pick-ups for large items like furniture, old mattresses, electronics and other bulky waste.

#### How do I Schedule?

You have two options to schedule bulk trash service:

- Call the Trouble Desk: (+39) 081-811-4285/ 4286 or DSN 629-4285/ 4286
- Submit a QR Code Request
- Speak to your Zone Manager especially if you are on a time crunch!

## Unnacompanied Housing Bits

### Room Inspections

Room inspections are conducted by the resident’s command, RAs, and/ or UH staff. Residents are responsible for the cleanliness of their assigned room, bathroom, common areas, and the passageway directly outside their room. Some of the standards used to determine cleanliness:

1. The bed is neatly made.
2. Floors are clean.
3. Carpeted areas and rugs are vacuumed
4. No gear adrift.
5. Dusted and polished furniture.
6. All food is stored in sealed containers.
7. Trash cans are clean and empty.

For more details on room inspections, please refer to the Unaccompanied Housing Resident Handbook.

### UH BBQ Pit

To reserve the BBQ pit, please contact the UH front desk to check availability and schedule your preferred time. Reservations are made on a first come, first-served basis, so we encourage you to book early to secure your spot. Please ensure the BBQ pit is cleaned and all trash is disposed of after use to keep the area enjoyable for everyone!

### Trouble Call Escalation

If you have already submitted a trouble ticket and it has not yet been handled or resolved, please stop by the UH front desk-we want to assist you! Our team will work with you to escalate the trouble call and ensure it gets the attention it needs. Additionally, if you feel you need further support please contact your building manager so we can work together to resolve.

## WINDOW SAFETY AND FALL PREVENTION

On average 3,300 children are injured with 8 fatalities, each year in the U.S. from window falls.

### Windows are not playgrounds

Teach children that windows are not safe to play near or lean against. Explain the potential danger in a way they understand. “Windows are for looking, not touching.”

Every child is precious, let's protect them!

NSA Naples:  
Interactive Customer Evaluation (ICE) System

Every feedback is welcomed, good or bad, that’s the surest way to help the installation improve services and quality of life in the community

By NSA Naples Public Affairs

The Interactive Customer Evaluation (ICE) system is a web-based tool that collects feedback on services provided by various organizations throughout the Department of Defense (DoD) including here at NSA Naples. Feedback can be positive (give a shout-out) or negative (report an issue). A combination of both is what helps us improve our services to better serve you.

Benefits of ICE:

- Allows community members to quickly and easily provide feedback to service provider managers on the installation.
- Gives NSA Naples leadership timely data on service quality.
- Allows service provider managers to benchmark their performance against like services in other DoD organizations.
- Saves money by providing an enterprise-wide capability to manage the resources necessary to collect and report on customer feedback and satisfaction ratings.

Do I get a response after submission?

Generally, if you provided contact information at the time of submitting an ICE Comment, it will be responded to within two weeks.

Response to your ICE Comment

COMMENT:

The center toilet Seat in the women's restroom in Bella Napoli has been broken. When will this be repaired so that all stalls may be used?

RESPONSE:

The Public Works Department (PWD) has implemented an online system to expedite the resolution of facility issues. For faster resolution, report future issues using the following link, also available on the Navy Life Naples App under the PWD tab: [PWD Online Service Request System](#)

Best way to submit an ICE comment?

- Provide contact info if you require a response

Your ICE Comment Shout-outs!

MVRO

Ms. Daniela Aterno-Jasmer is AMAZING! Her promptness and willingness to go above and beyond is top notch!! Both my husband and I are active duty and have a difficult time leaving our work space. We were able to email her our information so that she could generate the forms so that the in-person meeting was literally just a few minutes. Truly, this was a 10/10 service and I'm so grateful for all the work she did to ensure we were good to go for our re-registration.

Transaction Service Center (TSC) Naples

PS1 Leon-Lopez helped me amend some personnel forms. He was professional and personable. His service was expedient and helpful. Bravo Zulu PS1.

Carney Park Golf course

As a longtime patron of the Carney Park Golf course, I want to give a shout out to Derek, who has been killing it! He has shouldered the extra load since Waylon left many months ago and I hope that MWR recognizes what an outstanding person they have in him. He takes great pride in the course, facilities and is customer oriented.

Housing

Dario was great! He did a great job explaining everything for my lease and was very friendly. I liked working with him. The economy housing office hours are not convenient if you work on capo and don't have a car yet. I think some consideration should be taken to keep the office open a little longer so members that work on Capo don't have to leave work so early if they want to make it to the housing office before closing.

MWR

Wanted to leave a praise for MWR Team and specifically Jjiu-Jitsu head coach Souta Nardi for awesome classes on Support Site for the youth and the adults. It is very commendable for someone to volunteer over 6 hours a week to train and educate regular Navy and Allied members and ultimately watch everyone improve their skills and physical readiness. One couldn't ask for a better ambassador to represent the USA, the U.S. Navy and the Naval Hospital.

Outdoor Fitness Boxes Are Now Open!

By MWR

MWR’s Fit Boxes are open and on every installation. Check it out for a great outdoor workout.

# Local Lens: September secrets. Discovering Campania after the crowds

There you'll find cool forests, lakes, and shepherd villages where time really does move slower. Try the local cheeses, maybe even watch them being made. In these areas, September is also the season of grape harvest — la vendemmia — and if you're lucky, you might stumble into a celebration. What's beautiful about this time of year is not just the change in weather — it's the shift in rhythm. You're not rushing to check places off a list. You're wandering. Pausing. Noticing the details. So this September, I invite you to do something different: pick a town on the map you've never heard of. Ask a local where they go on weekends. Follow the smell of bread from a village bakery. You might not find a five-star review — but you'll find a story. And those are the best kind.

And those are the best kind.

Reserved Parking Requirement

When parking in designated parking spaces onboard NSA Naples Support Site and Capodichino, personnel must display their associated parking placard.

*Failure to display the placard may result in ticketing and/or booting of your vehicle*

General OPSEC Reminders

Assume that anyone can see information you post and share regarding your activities, whereabouts, and personal or professional life.

- Everyone should be careful with who they friend on social media and who follows them. Not everyone who wants to be a friend or follower is who they claim to be.
- Be mindful of others attempting to use social presence as a means of targeting individuals.
- Only establish and maintain connections with people you know and trust.

## OCONUS Emergency Travel Assistance Grant

### Grant Program for Military Members

Aligning with the American Red Cross mission of helping military members prepare for, cope with, and respond to the challenges of military service, Service to the Armed Forces (SAF) is implementing the OCONUS Emergency Travel Assistance Grant.

This program will provide financial assistance to military members, including National Guard and Reserve, actively serving Foreign Outside the Continental United States (F-OCONUS) who are currently on or about to begin emergency leave.

All categories of emergency leave are eligible for this grant. Service members must provide a copy of their emergency leave orders. Eligible service members will be awarded a \$500 grant.

The OCONUS Emergency Travel Assistance Grant will be available for a limited time based on the availability of funds.

To apply, please contact the Hero Care Center at 1-877-272-7337.

American Red Cross

Service to the Armed Forces

This limited-time program provides \$500 grants to active-duty military members (including activated National Guard/Reserve members) who are:

- Stationed Foreign OCONUS (F-OCONUS)
- Currently on or about to begin emergency leave or ordinary leave under emergency conditions. (Service member must be able to provide a copy of their emergency leave orders.)

We're sorry you're going through a difficult time and we're here for you. Call the American Red Cross Hero Care Center at (+1) 877-272-7337 to speak to a specialist who'll help you apply.

For additional information, please contact us at [naples@redcross.org](mailto:naples@redcross.org) or stop by your local Red Cross office in Building 450 on Capodichino.

## LEGAL CORNER

### ATTENTION: PCSing from Italy? Legal Clearance Required!

Tenant Commands are encouraged to add "RLSO Legal Clearance Checkout" in their respective Command Checkout Sheet to ensure all personnel meet this important requirement.

Before departing Italy on PCS orders, all personnel must complete the following checkout procedures:

**All Military Personnel:** Check out with the RLSO EURAFCENT Legal Offices:

1. Office of the Staff Judge Advocate (SJA), NSA Naples: Checkout in person. You must have completed your check out with MVRO before coming to legal. Contact Ms. Tiziana Orso [Tiziana.orso.ln@us.navy.mil](mailto:Tiziana.orso.ln@us.navy.mil) if you have questions. Located on the first deck, Admin II, NSA Naples, Capodichino.
2. Foreign Criminal Jurisdiction Department: You can checkout via email. Contact Mr. Gianluca Marino at [marino.gianluca.ln@us.navy.mil](mailto:marino.gianluca.ln@us.navy.mil)

**DoD Civilians, Military with Dependents, and Contractors:** Check out in-person with the RLSO EURAFCENT Legal Assistance Office AND return your Sojourner's Permit. Failure to return the permit will prevent checkout authorization. Located on the first deck, Admin II, Room 1074, NSA Naples, Capodichino. Contact [napleslegalassistance@us.navy.mil](mailto:napleslegalassistance@us.navy.mil) or +39 (081) 568-4576 with questions.

Checking out with legal and returning your Sojourner's Permits ensures compliance with Italian immigration law and maintains a positive relationship with Italy.

Living well starts with taking care of your whole self: your mind, body, spirit and social life.

Taking care of your body starts with eating healthy.

Look for healthy, easy meal ideas on recipes posted throughout the Commissary. The recipes have been approved by the Naval Hospital dietitian. Ingredients are located near the recipe, so you can grab and go!

WINDOW SAFETY AND FALL PREVENTION

On average 3,300 children are injured with 8 fatalities, each year in the U.S. from window falls.

**Safety starts at home**

Teach children about window safety, ensure window fall protection devices are installed correctly and always engaged. Familiarize yourself with available resources

**Protect what matters**

Window safety devices only work when properly install and engaged. Ensuring they're engaged is a simple step that can prevent tragedy. If you find any broken or missing devices in military housing, contact Navy Housing immediately. If off base contact your landlord directly or purchase and install in your own home.

**Windows are not playgrounds**

Teach children that windows are not safe to play near or lean against. Explain the potential danger in a way they understand. "Windows are for looking, not touching."

**Screens are for bugs**

Window screens are designed to keep insects out, not to prevent falls. Teach children to not push on or lean against window screens.

**Check twice and watch always**

Make a habit out of checking windows during your daily routine. When you open or close the curtains, before you turn the lights off, etc. Most importantly keep toys and furniture away from windows to prevent climbing.

**Designate safe play areas**

Build play areas away from windows. Never leave open windows unsupervised, especially when children are present.

Every child is precious, let's protect them!

Demolition of B443 at Capodichino: What You Need to Know

The demolition of Building B443 began May 2025. B443 is the former barracks; the long structure located behind the Mobile Bar. This demo project will necessitate some changes that all tenants should be aware of and plan for accordingly.

Mobile Bar Relocation - Enjoy Uninterrupted Service!

To ensure continued service during the B443 demolition, the Mobile Bar is temporarily relocated to a new spot near B447. For reference, B447 is located opposite the C4I entrance area. Don't worry, the Mobile Bar will remain open until the new location is ready!

BBQ Pit is In-Service

As part of the Mobile Bar's relocation project, the BBQ pit near Building B447 is in-service and no further impacts to this location are anticipated.

Outage of Smoking Area near Mobile Bar

The Smoking Area/Gazebo located near the Mobile Bar will remain closed until project completion, anticipated summer 2026.

Pedestrian Traffic Detour

For your safety during the B443 demolition project, a pedestrian detour will remain in place until project completion, anticipated summer 2026. Please follow posted detour signs and exercise caution while navigating the area.

FRESH, NEVER FROZEN

*Beef*

FOR OUR EUROPE AND MIDDLE EAST COMMISSARY SHOPPERS

PROUDLY PREPARED AND PACKAGED BY COMMISSARY STAFF IN OUR VERY OWN EUROPE-BASED MEAT PROCESSING PLANT

### Where does the Commissary get its meat products?

Shoppers are amazed to learn that the USDA-approved Natural and Choice beef we sell in the commissaries in Europe and the Middle East are shipped here from the U.S. Even more surprising, is that the retail cuts of beef are fresh, never frozen. This is accomplished through the use of vacuum packaging.

### What are the advantages of vacuum packaging?

- ▶ Because oxygen is removed, the shelf life of vacuum-packaged red meat increases from a matter of days to at least two weeks.
- ▶ Vacuum packaging allows natural enzymes to act as a natural tenderizer and enhances quality/palatability of beef.
- ▶ Without the vacuum technology, most locations would have only frozen meat products.

VACUUM SEALED FOR FRESHNESS!

Beef gets its red color from exposure to oxygen. In our vacuum packing process, we remove over 99% of the oxygen from the package. The lack of oxygen turns the meat a darker color but the meat will return back to the usual red-color once the package is opened and is, once again, exposed to oxygen.

The vacuum package does not allow for any air in or out. This can cause naturally occurring lactic acid to build up inside the package. Shortly after opening the package, the initial off-odor will dissipate.

This process does not affect the quality of the meat or taste and acts as a natural meat tenderizer.

CENTRAL MEAT PROCESSING PLANT

SERVING COMMISSARY CUSTOMERS IN *10 Countries* SINCE 1998

The Central Meat Processing Plant's state-of-the-art facility features highly efficient meat processing and vacuum machines, metal detectors and X-ray machines, a flash freezer, and high-tech cleaning systems. USDA Beef is cut, ground, packaged, vacuum sealed, and shipped from Kaiserslautern Cold Storage to our overseas locations. Fresh pork is sourced locally from German locations and processed under the same strict guidelines. Commissaries receive shipments an average of every two to three days, depending on the size and sales volume of the location.

### Special Orders

FOR YOUR SINGLE-SERVING OR PARTY-PLANNING MENUS

Just as you can go to a stateside commissary and place a special order for pork or beef, you can do the same here in Europe. You can simply request a special order from the commissary at the meat department or front-end department by filling out a special-order form if you are looking for a large quantity or a special cut.

Special order lead times vary depending on the request but a majority can be filled within days. Large quantity requests may take up to eight weeks. Whole pigs require a 10-day lead time. Check with your commissary for details.
