Theater Synchronization Review Concludes with a Unified Vision Across the Theater

From cyber readiness to communication interoperability, this review ensures seamless coordination in support of U.S. Army operations throughout the Americas. This forum underscores our commitment to delivering secure, reliable, and globally integrated signal support to the joint warfighter—anytime, anywhere.

Train with Purpose, Fight to Win: Mastering Warrior Tasks for Battlefield Success

Engaging in Basic Warrior Tasks and Battle Drills is more than just a box to check — it's the crucible that hones our skills to survive, engage, and emerge victorious in the heat of battle. In the chaos of battle, we don't just rise to the occasion; we unleash the relentless power of our training. That's why 44th SIG BN embraces the grind and train with purpose, day in and day out.

RCC-Europe Soldiers Join in Marche Internationale de Diekirch to Honor the Liberation of Luxembourg

This annual event honors Luxembourg's liberation in 1918 (WWI) and 1944 (WWII), and serves as a powerful tribute to the enduring friendship and sacrifice shared between Luxembourg and the United States. CPT Thornquist and SFC Marino represented the U.S. Army with distinction, completing more than 80 kilometers of scenic terrain over two days— with elevations exceeding 3,000 feet.

NETWORK ENTERPRISE TECHNOLOGY COMMAND

21st SIG BDE Conducted a Dynamic Physical Training Session Focused on CBRN and TCCC Readiness

By blending operational training with physical fitness, the session reinforced mission-essential skills and unit cohesion. Soldiers practiced donning protective gear, executing rapid decontamination procedures, and applying TCCC techniques such as tourniquet applications. These exercises highlight the brigade's commitment to readiness and ensuring every Soldier is prepared to act decisively in high-stakes environments.

Stronger Together: 2d SIG BDE Hosts Wackernheim, Ingelheim Leaders

The event reinforces the brigade's commitment to unity and collaboration with the local communities. This event represented a meaningful opportunity to facilitate open dialogue, foster mutual understanding, and reaffirm our shared commitment to collaboration and unity. We are highly appreciative of their time and support, and we look forward to further strengthening our partnership with Wackernheim and Ingelheim.

More Than a Match: NETCOM HHC Volleyball Showdown Celebrates Resilience and Team Spirit

In the grand tapestry of NETCOM's ongoing journey, this friendly match was more than just entertainment; it was a powerful reminder. No matter the challenges ahead, the true win lies in the bonds we build, the lessons we learn, and the resilience we forge together. Because in the end, when teams unite on and off the court, everyone is victorious. And so, the legendary tale of this volleyball clash echoes in the halls of NETCOM—a victory of camaraderie, resilience, and unbreakable spirit.

Readiness in Action: RCC-SWA's Weekly HITT Builds Combat-Ready Soldiers

RCC-SWA is enhancing Soldier readiness and lethality through weekly High Intensity Tactical Training (HITT) led by SFC Robinson and SSG Echols. These sessions focus on building strength, endurance, and mission-essential skills, ensuring Soldiers remain physically and mentally prepared for any operational challenge.

BG Anne-Marie Wiersgalla Assumes Command of 7th SIG CMD

7th SIG CMD held a change of command ceremony on June 25, 2025, at Fort George G. Meade, Maryland. BG Eric Van Den Bosch relinquished command to BG Anne-Marie Wiersgalla, who brings a wealth of joint and enterprise-level experience to the role. MG Jacqueline McPhail, NETCOM Commanding General, welcomed BG Wiersgalla, highlighting her readiness to advance the Army's information dominance through cloud, AI, and Zero Trust initiatives.

Mind, Body, Mission: 304th SIG BN Sharpens Readiness with Korean Martial Arts Training

Chaplain (CPT) Kim, a black belt in Hapkido, led Soldiers from the 304th SIG BN through hands-on training in de-escalation, negotiation, and escape techniques drawn from ancient Korean martial arts. The training enhanced Soldier safety, sharpened decision-making, and reinforced unit readiness in complex situations.
