PA DDRO hosts Neighboring Academy tour

- The PA Counterdrug Program's Drug Demand Reduction Outreach (DDRO) section partnered with the members of the 111th Attack Wing, 201st Red Horse Squadron Regional Training Site, and AFROTC Detachment 750 to engage with the Neighboring Academy Steelton-Highspire High School students
- DDRO has maintained a strong partnership with the Neighboring Academy, focusing on drug prevention and wellness education. This student engagement initiative is to provide young individuals with exposure to positive career pathways, while reinforcing healthy lifestyle choices and deterring drug use
- Event included a short hike with basic land navigation skills to promote physical fitness and team building, discussion on health and wellness, and exposure to career fields such as heavy equipment operation, electrical, HVAC, etc.
- Memorial Lake State Park and Fort Indiantown Gap, Annville, Pa
