

Last Fan Standing Press Release

Last Fan Standing, an interactive pop culture game show hosted by actor Bruce Campbell, will be touring with Armed Forces Entertainment (AFE) this fall. The tour will feature five live events from October 21 to 25 at bases across the Pacific.

Last Fan Standing gives the entire audience the chance to play along and qualify to be on stage—and attempt to be the Last Fan Standing.

Through a proprietary app, each audience member participates in a series of multiple-choice questions, where the players with the fastest-correct answers advance to the Podium Rounds.

The Podium Rounds bring the top four players from the audience to a winner-takes-all battle of science fiction-, fantasy-, superheroes-, gaming- and horror-based trivia. After each round, the player with the lowest score is eliminated until only one remains: the Last Fan Standing!

AFE delivers world-class entertainment to U.S. troops and their families overseas, strengthening their resilience, boosting morale and contributing to readiness. These engaging experiences connect servicemembers to home, foster a sense of belonging, ease the challenges of deployment and support their mental health.
