The Army Song

*March along, sing our song,
with the Army of the free.*

*Count the brave, count the true,
who have fought to victory.*

We're the Army and proud of our name!

We're the Army and proudly proclaim:

First to fight for the right

And to build the Nation's might,

And The Army Goes Rolling Along.

Proud of all we have done,

Fighting till the battle's won,

And the Army Goes Rolling Along.

Then it's hū! hū! hey!

The Army's on its way.

Count off the cadence loud and strong;

(Two! Three!)

For where'er we go,

You will always know

That The Army Goes Rolling Along.

The song "The Army Goes Rolling Along" is the official song of the United States Army. The song was dedicated on Veterans Day, November 11, 1956. The music was composed in 1908 by Lieutenant (later BG) Edmund L. Gruber and was originally known as the "Caisson Song."
