U.S. Army Corps of Engineers, Detroit District 2026 PHOTO CONTEST CALENDAR

In the fall of 2025, the U.S. Army Corps of Engineers, Detroit District, made their annual call for the public to submit their best photos capturing landscapes, boats and piers from around the Great Lakes.

Participants from all over the country submitted photos, and people from all over the world logged onto social media and voted on those photos. We are pleased to present this downloadable calendar featuring the 12 images that received the most votes.

Big thank you to all the participants and voters! We also thank the Soo Locks Visitors Center Association for awarding the top three photographers a plaque featuring their photo.

Follow us on social media and be the first to see our announcement for next year.
