Surrounding Residents
Lake City Army Ammunition Plant

Dear Neighbor:

The next meeting of the Lake City Army Ammunition Plant (LCAAP) Restoration Advisory Board (RAB) is scheduled for Wednesday January 21, 2026, at 6:00 p.m. You are cordially invited to attend the RAB meeting and participate in LCAAP environmental restoration process. The primary agenda topics for this RAB meeting include updates of environmental remedial activities at LCAAP.

In order to gain access to the site and attend the RAB meeting, please RSVP to Sara Clark via e-mail: Sara.B.Clark4.civ@army.mil by January 16, 2026, no exceptions.

On the day of the RAB meeting, please meet at the LCAAP visitor center to get your visitor passes to enter the site on **January 21**. A representative of LCAAP will then meet you at the visitor center and guide you to the RAB meeting room. The address for the Visitor Center is:

LCAAP Visitor Center
25201 Missouri 78
Independence, MO 64056

The meeting will also be held virtually via Facebook Live on the Official Lake City Facebook page.

To be more environmentally conscious, LCAAP is offering RAB meeting information to be distributed by e-mail. If you are interested in receiving this notification in the future through e-mail, please e-mail Sara.B.Clark4.civ.civ@army.mil.

Please feel free to call me at 816-796-7159, if you have questions or would like more information.

Sincerely,

Sara Clark
