

The Wee Bag Band Press Release

The Wee Bag Band, an Irish and Celtic folk band, is returning to tour with Armed Forces Entertainment (AFE) this March. The tour, which runs from March 7 to 23, will feature nine performances at bases across the Western Hemisphere.

Based in North Wales, The Wee Bag Band's reason for being is to bring mad, bad, trad, popular and contemporary diddly, diddly Irish and Celtic music and song to the masses at pubs, clubs, gigs, and festivals in North Wales, the United Kingdom and the world over.

They're hitting the notes in the right order—to date, their music has taken them to many parts of the world, including the United Kingdom, France, Switzerland, Spain, Germany, the United States, Cuba, the Bahamas, Curacao, Puerto Rico, Honduras and northern Greenland.

AFE delivers world-class entertainment to U.S. troops and their families overseas, strengthening their resilience, boosting morale and contributing to readiness. These engaging experiences connect servicemembers to home, foster a sense of belonging, ease the challenges of deployment and support mental health.
