From the Installation Commanding Officer

By Capt. John Randazzo, Commanding Officer, NSA Naples

Team Naples,

Armed Forces Olympics

Team Naples, the upcoming annual Armed Forces Olympics presents an excellent opportunity for our U.S. and Host Nation partners to strengthen critical bonds and build lasting teamwork through friendly, spirited competition. I highly encourage all Naples-area commands to participate. Join us on May 8 at 09:30 a.m. in Carney Park for the main event. As an added incentive for your participation, all competitors will receive a 25% discount on Carney Park rentals for that entire weekend. I look forward to seeing you on the field!

Navigating On-Base Housing Repairs: Your Guide to Faster Fixes

Living on base has its perks, but when a pipe leaks or a common area needs attention, getting repairs done efficiently is a top priority. Fortunately, submitting a work order for your home or the Support Site common areas at NSA Naples is easy!

The simplest way to get the ball rolling is right in your pocket. Open the NSA Naples Mobile App, click the "On-Base Housing" link, and fill out the form detailing your issue. If you prefer using a web browser, you can also

log your service request directly here: [Housing Service Request](#)

The Insider Tip: Advocate for Yourself

The best practice: don't just hit submit and wait. Once your ticket is in the system, send a quick email to your Zone Manager. By looping them in early, they can act as an active advocate for your family and help ensure your request doesn't fall through the cracks.

When Things Don't Go to Plan

We all know that sometimes a repair doesn't go exactly as we hoped. When that happens, your feedback is critical. For the fastest and most effective resolution, you should always follow the standard chain of escalation:

1. Your Zone Manager (Your first line of defense)
2. Family Housing Manager: Mr. Francesco Ninno francesco.ninno.ln@us.navy.mil
3. Housing Director: Mr. Sherill Amparo amparo.r.sherrill.civ@us.navy.mil

While you always have the option to submit an Interactive Customer Evaluation (ICE) comment, experience shows that working directly through the normal escalation process outlined above will get you much faster service.

Submit an Ice comment here: [NSA Naples ICE](#)

Town Hall - 12 May - Share Your Feedback

Our upcoming Town Hall is an opportunity for you to share your concerns regarding the base and engage directly with base leadership. The event will take place on May 12 at 6 p.m. in the Community Center on Support Site. We strongly encourage you and your families to attend the event in person, as your active participation is critical to our community.

For those unable to join us, a full recording will be published on the U.S. Naval Support Activity Naples Facebook page after the conclusion of the event so you can stay informed.

Download the NSA Naples, Italy Mobile App for IOS and Android

Get instant access to service requests, emergency guidance, base services, and news, right in your pocket: [NSA Naples, Italy App Link](#)

Commemorative Coin (Front)

Commemorative Coin (Back)

Established on 3 October 1951, as Headquarters, Support Activities, Naval Support Activity (NSA) Naples began its mission to support NATO's Allied Forces Southern Europe and the U.S. Sixth Fleet. After two years, the unit was renamed Commander, Subordinate Command, U.S. Naval Forces Eastern Atlantic/Commander, Headquarters Support Activities. It saw another redesignation in 1957 to U.S. Naval Activities, Italy. On 8 August 1966, it received its current and final name: U.S. Naval Support Activity, Naples. The installation now serves as the headquarters for U.S. Naval Forces Europe-Africa and the U.S. Sixth Fleet, hosting more than 50 commands and roughly 8,500 military and civilian personnel.

NSA Naples challenges itself daily to be the flagship base in Europe, and will strive to do so every day in support of the fleet and families.

Navy Nears Completion of \$2.5M NSA Naples Parking Garage Overhaul

By: Anthony Cage, Naval Facilities Engineering Systems Command Public Affairs Officer

A \$2.5 million project to address long-standing structural issues at the East Parking Garage is nearing completion at Naval Support Activity Naples, improving safety for the thousands of service members and civilians who use the facility daily.

This project follows the \$2.9 million renovation of the base's West parking garage, which was completed last year. The work at the base's Capodichino site, located at Naples International Airport, was awarded to address years of deterioration that caused water infiltration and safety concerns.

The contract was awarded in 2024 by Naval Facilities Engineering Systems Command Europe, Africa, Central, to the Italian firm CO.CER through a Multiple Award Construction Contract, a streamlined process used by federal agencies for construction and repair projects.

News in Brief: Around the Installation

USO

Teddy Bear Club: The little ones in the USO's Teddy Bear Club had an adventure at the Fire Station. Chief Legouri and his incredible team opened their doors, their trucks, and their hearts to our crew. The kids learned about fire safety, got up close with the big red trucks, and even met the one and only Sparky! Thank you to NSA Naples Fire & Emergency Services making the Teddy Bear Club feel like heroes for a day.

FLEET AND FAMILY SUPPORT CENTER

NSA Naples Unites to Protect Children during Child Abuse Prevention Month

By Josephine Schneider

To reaffirm its commitment to protecting children, U.S. Naval Support Activity (NSA) Naples joined the national observance of April as Child Abuse Prevention Month onboard NSA Naples Capodichino, Apr. 30, 2026.

Karen Kershaw, Fleet and Family Support Center counseling and advocacy program supervisor, led a proclamation signing event which called for a united community stand against child abuse. This action, signed by Capt. John Randazzo, the installation commander, reinforces NSA Naples' commitment to protecting children and supporting families.

"The strength of our force is directly tied to the well-being of our families," said Kershaw. "By actively working to prevent child abuse, we are not just protecting the most vulnerable, we are ensuring the resilience and readiness of our community."

Pinwheels were displayed around the installation for the month of April. Pinwheels symbolize the fun, positive childhood every kid deserves and serve as a reminder that the community must work together to ensure every child can grow up in a safe and nurturing environment.

For those seeking positive parenting resources to help prevent child abuse and neglect, the NSA Naples Fleet and Family Support Center are available to help. Contact them at DSN: 629-6372 or Commercial: +39 081-811-6372.

To make a report of child abuse to a Family Advocacy Program representative, a 24/7 reporting line is available at Commercial: +39 331-698-268.

(U.S. Navy photo by Mass Communication Specialist First Class Sean Rinner)

NAPLES MIDDLE HIGH SCHOOL

Naples Middle High School: Eighth-grade Advancement Via Individual Determination (AVID) students led the March AVID Huddle by planning and running an outdoor capture-the-flag tournament, complete with prizes for the winning team. The event highlighted the leadership, teamwork, and community building that makes AVID special.

SEXUAL ASSAULT PREVENTION AND RESPONSE (SAPR) TEAM

Sexual Assault Awareness Month: NSA Naples Takes a Stand: U.S. Naval Support Activity (NSA) Naples took a stand against sexual assault, with installation commander Capt. John Randazzo signing a proclamation in April to mark Sexual Assault Awareness and Prevention Month (SAAPM).

The 2026 SAAPM campaign themed "Step forward. Prevent. Report. Advocate." serves as a call to action for all personnel to actively participate in preventing and responding to sexual violence. This initiative encourages individuals to utilize their personal and collective strengths to foster a community of change.

NSA Naples is committed to fostering a safe and respectful environment for all. The signing of the proclamation underscores the command's dedication to this critical issue and its alignment with the Department of Defense's efforts to eliminate sexual assault from the military.

For those in need of support or resources, the Sexual Assault Prevention and Response (SAPR) program is available. If you or someone you know is need of SAPR support, please call or text our 24/7 SAPR response line at +393356406621.

NAPLES AREA CHIEF PETTY OFFICER MESS

Celebrating the Chief Petty Officer (CPO) Birthday: Naples area Navy Chiefs gathered in formation to honor the United States Navy CPO birthday celebrated annually, Apr. 1, 2026. Known as the "backbone of the Navy," this day honors the leadership, technical expertise, and mentorship that CPOs provide to sailors. (U.S. Navy photo by Mass Communication Specialist First Class Novalee Manzella)

SUMMER SAFETY STAND DOWN PRESENTATION

101 CRITICAL DAYS OF SUMMER

Support Site		Capodichino
19 MAY		21 MAY
1030-1130		1030-1130
1300-1400		1300-1400
Victory Theater		Command Conference Center

This annual Navy and Marine Corps initiative is vital for increasing awareness of the potential risks associated with off-duty recreational activities and other summertime endeavors. NSA Naples Safety's goal is to proactively educate our personnel about risk and the behaviors that contribute to summer-related mishaps.

This year, NSA Naples Safety will be holding four sessions. Attendance is required for all Active Duty personnel, either in person or via Teams, and is highly encouraged for all other members.

Radon Awareness: How Radon Enters Homes

On-base residential and non-residential units, including off-base Government leased units are in compliance with the Navy Radon Management Program.

Radon can enter your home in many ways:

- Cracks in solid floors
- Construction joints
- Cracks in walls
- Gaps in suspended floors
- Gaps around service pipes
- Cavities inside walls
- The water supply

www.epa.gov/radon

By NSA Naples Public Affairs

Radon is a naturally occurring, radioactive gas that is odorless, colorless, and tasteless. Radon gas is released from rocks and soil and can move to air, groundwater, and surface water. It is normally found at very low levels in outdoor air and can be found in water used for cooking and drinking.

Radon can build up in the air in any home or building, whether it has a basement, is sealed or drafty, or is new or old. Take action this month to reduce the risks of radon in your home by opening windows and using fans to circulate air. This increases airflow and mitigates the buildup of radon.

In compliance with the Navy Radon Assessment and Mitigation Program (NAVRAMP), NSA Naples on-base residential and non-residential units, including off-base Government leased units are either tested or mitigated or currently being tested.

Personnel that live off-base have entered into a private contract with their landlord, therefore limiting the scope with which the U.S. government may intervene or have control over said contract. However, DoD personnel living off-base can work with their landlord to test for and mitigate radon, if desired, at their own expense.

The lessee may work with the lessor to address any identified issues, as outlined in Section 19 of the NSA Naples housing lease.

Information about finding an at-home radon test kit is available through the Environmental Protection Agency: [Link Here](#)

If you have specific questions about your home or your options, please contact our housing office for assistance at:
DSN: 629-4466
Commercial: +39-081-629-4466
Email: Naples_Housing@us.navy.mil

While NSA Naples has a known overall potential for elevated radon levels, classifying the installation as a Radon Potential Category (RPC) 1 according to the NAVRAMP, the installation is complying with NAVRAMP testing and mitigation policies at government owned/controlled units.

RPC1 is simply the level assigned when even one unit or building is found on the installation with a radon level over the minimum threshold of 4.0 picocuries per liter (pCi/L).

2024-2025 Radon Test Results at NSA Naples Non-Residential Facilities have been released on NSA Naples Website under environmental page.

CHECK IT OUT ON NSA NAPLES WEBSITE

Beyond the Base: Soccer Match Unites NSA Naples, Italian Community of Gricignano

By Josephine Schneider

Personnel from U.S. Naval Support Activity (NSA) Naples and the local Italian soccer team, Real Gricignano, came together for a friendly soccer match at the installation's Support Site in Gricignano di Aversa, Italy, Apr. 30, 2026.

The event, a symbol of the strong partnership between the American and Italian communities, highlighted the shared values of sportsmanship and camaraderie. The game was more than just a competition; it was an opportunity to strengthen community ties and build teamwork.

"Events like this give Sailors an opportunity to connect with our Italian neighbors on a more personal level," said Teresa Merola, the community relations specialist for NSA Naples. "These connections are vital for maintaining the strong relationship between NSA Naples and host community."

The soccer match, underscores NSA Naples commitment to enhancing sailor well-being and readiness. Events like this are central to NSA Naples' goal of fostering strong community partnerships.

Fuel Your Fitness: NSA Naples' Comprehensive Nutrition and Wellness Programs

Keeping the NSA Naples community healthy and mission-ready is a top priority, with a variety of programs available to support nutritional and fitness goals. From weight management to healthy eating on the go, there are resources for active duty personnel, civilians, their beneficiaries, and local nationals.

Shape Up with the Ship Shape Program

For those looking to manage their weight, the Ship Shape program, offered by NMRTC Naples, is a valuable resource. This weight management program is open to active duty personnel, civilians, beneficiaries, and local nationals.

The program provides a supportive environment to create an individualized action plan for achieving nutrition and physical activity goals. To sign up, email Hannah M. Chovancek at hannah.m.chovancek.civ@health.mil

Healthy Eating Made Easy with Prep & Plate

The Naples Commissary is making it easier than ever to eat healthy at home with their "Prep & Plate" program.

Located in Aisle 8, this program features QR codes that link to recipes approved by the U.S. Naval Hospital Naples Dietitian. These recipes are perfect for families and single service members alike, for a variety of healthy and convenient meal options. Access the recipes by scanning the QR code in-store or by visiting the following link: [DeCA Prep and Plate](#)

Fueling for Performance with NOFFS

The Navy Operational Fitness and Fueling System (NOFFS) offers a comprehensive approach to fitness and nutrition. This program guidance on how to train effectively and make healthy nutrition choices.

The NOFFS program includes a fitness and refueling series designed to help individuals maintain peak physical readiness. You can find more information about the NOFFS program and its resources at the link here: [NOFFS Fueling Series](#)

These programs, along with recent significant investments in fitness facility upgrades at NSA Naples, demonstrate a strong commitment to the health and well-being of the entire community.

Naples Public Health Evaluation

In-Focus: Food Safety in Naples

By Josephine Schneider

Food Inspection On-Base

One of Naples Public Health Evaluation's enduring processes is food safety, which seeks to ensure that food sold at the Commissary on U.S. Naval Support Activity, Naples Support Site is safe to eat and undergoes a rigorous process by the U.S. Army Veterinary Command (VETCOM) who serve as the local food inspectors before entering the store to be sold. The Commissary has labeled the fresh produce to inform shoppers of the area from which the produce is grown. Much of the produce in the Commissary is from Germany and Northern Italy.

Continuous Food Safety Monitoring

Food provided on base is monitored on an ongoing basis. The U.S. Naval Hospital Naples Preventive Medicine routinely inspects all dining facilities on base to ensure that food is properly stored, maintained, and prepared. In accordance with Department of Defense Directive 6400.4, VETCOM ensures inspectors are stationed in the Commissary and consistently monitor food products; all food products are from VETCOM-approved sources that have been inspected; buying from approved sources is required for all meat, dairy, eggs, prepared vegetables and bottled water (fresh produce is exempt in Western Europe); proper facility sanitation; personal hygiene practices of food service workers; and education of food service managers and employees about food safety.

Food Inspections Off-Base

The U.S. Government does not inspect restaurants or supermarkets off-base. Italy has a system in place to inspect Italian food facilities, markets, and suppliers. However, the health and well-being of all personnel and families in Naples is the base's top priority. VETCOM inspects Italian food manufacturing facilities producing food that is supplied to U.S. military installations.

Food Safety Tips

The U.S. Department of Health and Human Services provides valuable sanitary practices that can apply wherever you live in the world:

- Wash fresh fruits and vegetables thoroughly with potable water prior to eating or cooking.
- Immune-compromised people should consume only cooked fruits and vegetables.
- Use separate cutting boards, plates and utensils for uncooked and cooked meats to avoid cross-contamination.
- Use a food thermometer to make sure meat is cooked to a safe temperature.
- Refrigerate hot or cold leftover food within two hours of being served. Keep leftovers for three to four days when properly refrigerated.

If at any point you feel your health is being or may be impacted by the environment, please contact your primary care physician. If you have questions about any of NPHE enduring processes, or any other environmental life, health or safety issue, send an email to Naples_LHS_questions@us.navy.mil

What Is Naples Public Health Evaluation (NPHE)?

The Naples Public Health Evaluation is a comprehensive study of the health risks associated with potential exposure to chemicals in the environment resulting from the area's waste disposal practices. The Campania region of Italy has experienced numerous challenges associated with trash collection, open burning of uncollected trash and illegal waste disposal practices. In response to health concerns expressed by U.S. Navy personnel in 2007, the Commander, Navy Region Europe, Africa, Central (CNREURAFCENT) contacted the Navy and Marine Corps Force Health Protection Command (NMCFHPC) to conduct a comprehensive public health evaluation to assess the potential health risks for U.S. personnel living in the Naples area. The NPHE was conducted from January 2008 to June 2011.

What did the Navy learn from NPHE?

Through the Public Health Evaluation, the Navy has been able to identify and address public health risks for U.S. personnel living in the Campania region. The Navy established new health-protective policies and took immediate action to protect the health of U.S. personnel and their families. **Many of these health-protective policies remain in place, as enduring processes, to ensure continued health protection beyond the life of the study.**

Where are the results of NPHE and where can I read more about this evaluation?

The NPHE results are located on the Health Awareness section at NSA Naples website:

[Read More about NPHE](#)

Naples Public Health Evaluation Enduring Processes Focuses on:

- Air Quality
- Water Safety
- Food Safety

Your Health: Facts for Families in Naples

About: Food On and Off-Base

The U.S. Navy is committed to ensuring our families are safe while serving our country at home or overseas. The following information is provided as part of a wide-ranging effort to understand the health risks of our personnel and families living in Naples, Italy. A comprehensive Public Health Evaluation was conducted to assess potential short and long-term health risks associated with living in the Naples area (see left panel). In line with our commitment to continually share important health information, we encourage you to review the following information.

In 2007, numerous reports of high dioxin levels and other chemicals in air, water, and soil created a concern amongst the U.S. Navy community that foods grown in the Campania region could be contaminated. Articles in newspapers and in some Italian scientific journals alleged links between adverse health effects and the toxic waste dumps in the Campania region. These articles implicated locally grown vegetables, fruits, and mozzarella di bufala as possibly contaminated foods.

As part of the Navy's overall efforts to be protective of the health of U.S. military and civilian personnel and their families in Naples, the Navy and U.S. Army Veterinary Command (VETCOM) conducted an investigation of foods produced in the Campania region and sold in the Naples Gricignano D' Aversa Navy Commissary (Commissary). The food study was performed in February 2008.

VETCOM is the Department of Defense executive agent for food safety and quality assurance and is responsible for providing direct assistance to all DOD agencies requiring support with respect to food safety and food defense.

Although there are multiple layers of health protection already in place for U.S. personnel purchasing food items at the Commissary, the presumed higher potential for environmental contaminants to be present in the Campania region led the Naples Public Health Evaluation team to conduct a food study. The study went beyond routine inspections of food products by performing various laboratory analyses, which are normally not mandated by VETCOM. Foods grown locally, particularly fresh fruits and vegetables, received a closer look.

Using the above criteria, an assessment of the Commissary was conducted. Products that met the food study criteria and were thus evaluated in the study included:

- Artichokes
- Celery
- Spinach
- Cabbage
- Chicken
- Carrots
- Mushrooms

NAPLES Public Health Evaluation

Naples Area Security Committee Executives Lead Collaborative Safety, Security Efforts

By NSA Naples Public Affairs

The Naples Area Security Committee (NASC) Executive Steering Council (ESC) met recently at U.S. Naval Support Activity (NSA) Naples to enhance partnerships with local law enforcement and security entities.

The council includes leaders from the U.S. Consulate General in Naples; U.S. Naval Forces Europe and Africa; Allied Joint Force Command; Navy Region Europe, Africa Central; NSA Naples; and local Italian law enforcement agencies. The group provides strategic guidance on policy development aimed at creating a safer community.

“By collaborating closely with our Italian partners and key stakeholders, we can develop comprehensive strategies that safeguard our personnel, their families, and the entire community,” said Capt. John Randazzo, NASC ESC member and NSA Naples commanding officer.

The NASC promotes community safety through education, awareness, and information sharing. The committee operates through two primary bodies: the ESC and the Naples Area Security Working Group (NASWG).

One of the NASWG's flagship initiatives is a quarterly crime trend report. The report provides insights into local crime patterns, enabling community members and prospective personnel to stay informed and make educated decisions regarding their security.

Committee members are currently warning the community of a roadside swindle where criminals fake accidents to extort money from foreigners and tourists.

In these scenarios, a scammer may honk, flash headlights, or attempt to pull a driver over, claiming their vehicle was damaged. Security officials advise that if a driver is certain no contact occurred, they should continue driving.

If safe to do so, drivers should take a photograph of the other vehicle's license plate and contact emergency dispatch at +39-081-568-4911 or the non-emergency line at +39-081-568-5638.

Officials noted that these individuals often travel with women or children to manipulate drivers into pulling over.

NSA Naples Rolls Out Free Wi-Fi for Barracks Residents

By Josephine Schneider

Sailors in Navy-owned and operated unaccompanied housing (UH) at U.S. Naval Support Activity (NSA) Naples now have access to free Wi-Fi as part of the Navy's Virtual Single Sailor Program, a collaboration between Commander, Navy Installations Command's (CNIC) Morale, Welfare and Recreation program and the Navy Exchange Service Command (NEXCOM).

This service is a critical readiness enabler. When Sailors have safe housing, reliable services, and strong community support, they are better focused and mission-ready. Access to free Wi-Fi improves Sailors' quality of life and quality of work. In addition to providing access to entertainment, Wi-Fi helps

Sailors access professional training and online higher education courses.

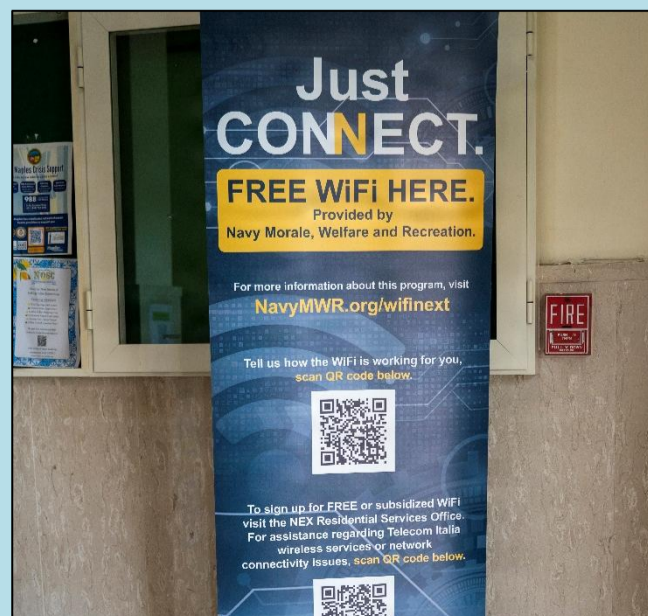

“Having reliable Wi-Fi in the barracks is a huge morale booster,” said Petty Officer 2nd Class Dylan Flynn, a UH resident at NSA Naples. “Not having to worry about another bill makes it easier to connect with family back home, unwind after a long day, and keep up with college courses online.”

Residents will also have the option to pay for upgraded Wi-Fi service at a subsidized rate. The new program will offer both free filtered Wi-Fi and subsidized filtered Wi-Fi, as well as affordable unfiltered Wi-Fi service options, with no long-term contracts or termination fees.

“This initiative is a direct reflection of our unwavering commitment to the well-being of our Sailors,” said Vice Adm. Scott Gray, Commander, Navy Installations Command. “Providing free, high-speed Wi-Fi is a fundamental step in improving their quality of life, ensuring they have the connectivity they need for personal and professional growth. We are dedicated to delivering the resources that support our warfighters, and this program is a testament to that promise.”

UH residents can sign up by scanning the QR code on their mobile device available in UH buildings, and by visiting their local residential services office on-base.

For more information, please visit the link here: [Navy MWR Free Wi-fi](https://www.navy.mwr.org/wifinext)

Housing Bits

By Paolo Cutillo and Krista Stevens

Supporting Our Community through Sustainability

As part of our ongoing commitment to sustainability and community support, the Teverola warehouse is proud to offer a loaner program for essential appliances and furniture. This initiative is designed to ensure that all residents have access to the items they need while promoting reuse and reducing waste.

To keep this valuable program running smoothly for everyone, we kindly ask for your partnership. Please treat all loaned items with the same care you would your own, and ensure they are cleaned before being returned or picked up. We also ask that you please refrain from removing any inventory labels, as these are crucial for managing our stock and ensuring items can be efficiently redistributed to fellow residents. Your cooperation is the key to the program's success!

Important Update: Washer and Dryer Availability

We are writing to inform you that we are currently experiencing a significant shortage of washers and dryers for our economy housing units. Due to this low inventory, we have established a waitlist for these appliances.

We are actively working to resolve this issue and are expecting a new shipment of appliances to arrive within the next 60 days. If you are currently on the waitlist, we sincerely appreciate your patience. A member of our team will contact you directly to schedule a delivery as soon as the new units become available.

Economy Housing Bits

As we move into May, we are officially entering the PCS rotation season, a period when many service members and families begin departing while others are arriving. This transition naturally creates new housing opportunities, but it also brings increased competition and faster market turnover.

Here are a few key points to keep in mind during this period:

- **Increased availability:** As residents rotate out, more properties become available, often opening up options that were previously occupied.
- **Faster turnover:** Homes may be listed and taken quickly. Staying proactive and responsive is essential.
- **Be prepared:** Having your documentation ready and maintaining flexibility on preferences can significantly improve your chances of securing a suitable property.
- **Stay connected:** The Housing Office continues to provide support throughout the process, including assistance with short-notice appointments and out-of-schedule needs when possible.

So if you just arrived, this is the chance to view more options and get the house you want faster. Our team remains committed to streamlining procedures and supporting residents through every phase of the housing process, especially during this high-activity season.

Unresolved Service Call? A New Way to Escalate Your Concerns

Have you ever had a service call on Support Site that didn't go as planned? It can be frustrating when an issue remains unresolved, leaving you unsure of the next steps. To better address these situations and improve our services, we are pleased to introduce the Housing Feedback Tool.

This powerful tool is designed to be your direct line to our quality assurance team. When a standard service call fails to resolve your issue, using the Housing Feedback Tool escalates your case immediately, ensuring it receives the attention it deserves. Not only does this process get you the help you need, but it also provides crucial documentation for us to track recurring problems and enhance our overall service quality.

How to Use the Tool:
Simply scan the QR code of the Housing Feedback Tool and provide details about the unresolved issue. Your submission will be sent directly to our quality assurance specialists for review.

Housing Tips

Pest Prevention: Keep pests at bay by regularly sealing cracks and gaps in your home and promptly cleaning up food spills and crumbs.

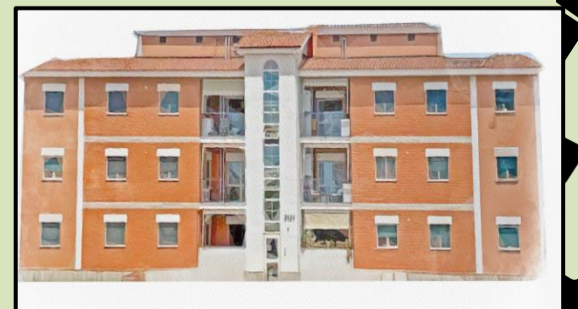

Mold Prevention: Naples' beautiful coastal location brings high humidity that can easily lead to condensation on your walls, especially during the cooler, wetter winter months and muggy August nights. To protect your home, make it a habit to practice "shock ventilation": opening your windows wide for 5–10 minutes several times a day to exchange stagnant, moist indoor air for fresher air. Because many local buildings use plaster and stone that absorb moisture, it is also vital to keep furniture at least 4 inches (10 cm) away from exterior walls to allow for proper air circulation. Using your dehumidifier consistently is the most effective way to keep indoor humidity below the 60% threshold where mold thrives. If you notice any "sweating" on windows or damp spots, dry them immediately and notify the office so we can help you address the source before it becomes a larger issue.

Mosquito Prevention: As the warmer months arrive, so do mosquitoes, bringing with them not only irritating bites but also potential health risks. Protecting your family and home from these pests is crucial. The most effective strategy is to eliminate standing water, where mosquitoes breed. Regularly empty bird baths, pet water bowls, and planters, and ensure gutters are clean and draining properly. Cover rain barrels and repair any leaky outdoor faucets. For personal protection, use an EPA-registered insect repellent when outdoors, especially during dawn and dusk when mosquitoes are most active. Consider wearing long sleeves and pants in wooded or marshy areas. By taking these simple steps, you can significantly reduce the mosquito population around your home and enjoy the season safely.

Secure Your Home Before You Go: As the weather gets warmer, it's natural to start planning vacations. But before you head out, it's important to make sure your home is secure. Here are some tips to keep your home safe while you're away:

- **Make it look like someone is home:** Use timers to turn lights, a radio, or a television on and off at various times. This creates the illusion that your house is occupied.
- **Manage deliveries:** Cancel newspaper subscriptions and ask a trusted neighbor or friend to collect your mail.
- **A pile of mail or newspapers is a clear sign that no one is home.**
- **Prepare your yard:** Trim shrubs and trees to eliminate hiding spots for burglars. An overgrown lawn is another giveaway that you're away, so arrange for someone to mow it.
- **Lock everything:** Ensure all doors and windows are securely locked. For sliding doors, place a strong rod or dowel in the track to prevent them from being forced open. Don't forget the garage: Lock the door leading from your garage into your house.
- **While you're on vacation, be mindful of social media.** Avoid posting about your vacation plans or sharing photos while you're still away. This can alert burglars that your home is empty.
- **Inform a trusted neighbor.** Let a neighbor know you'll be away and ask them to keep an eye on your property. They can also park their car in your driveway occasionally to make it look like someone is there.

By taking these precautions, you can enjoy your vacation with peace of mind, knowing your home is safe and secure.

Ongoing Maintenance on Support Site

Spring Preventive Maintenance

Our Spring Preventive Maintenance (PMI) is in high gear! We want to remind you of the importance of being home or ensuring your furry friends are safely tucked away in kennels on the scheduled day scheduled maintenance helps keep our community in top-notch condition, ensuring your homes are comfortable and running smoothly. By completing these routine checks, we can address any potential issues before they become major headaches. Remember, your cooperation is invaluable in maintaining the quality of life we all enjoy here. It is a collective effort that keeps our community thriving. So, let's work together to keep our homes happy and healthy!

Attention Residents: Upcoming Smoke Detector Replacement

Please be advised that contractors will be replacing the smoke detectors in your unit during the upcoming PMI (Preventive Maintenance Inspection). To ensure a smooth and efficient process, we kindly ask that you clear the area around your smoke detectors of any obstructions. Your cooperation is greatly appreciated and will help us complete this important safety upgrade in a timely manner.

As we prepare for the warmer weather, it's time for our essential annual air conditioning maintenance. We understand that this yearly switchover can be an inconvenience, and we sincerely appreciate your patience as we get our systems ready for the summer. This preventative maintenance is crucial to ensure the entire system runs reliably when you need it most, helping us avoid unexpected outages during the peak of summer. Our primary goal is your comfort and safety. We are coordinating closely with our maintenance team to make this process as smooth and swift as possible. We've structured the schedule to minimize disruptions, and our crews are prepared to address any on-the-spot repairs immediately. Thank you for your understanding as we complete this necessary work to keep our community cool and comfortable all season long.

Unaccompanied Housing

Mold Prevention Tips:

To maintain a fresh, healthy living space and prevent the growth of mold and mildew, it's crucial to manage moisture effectively. Always run your bathroom exhaust fan during a shower and for at least 20 minutes afterward. This simple step is vital as it pulls humidity directly out of the room, and mold can begin to grow on damp surfaces in as little as 24-48 hours. When weather permits, opening a window provides excellent additional ventilation. Proper airflow is key to protecting your home and ensuring good air quality.

Need Extra Help with Humidity? Dehumidifiers Available!

For additional support in managing humidity levels, especially in areas prone to dampness, dehumidifiers are available. You can pick up your complimentary dehumidifiers today at the front office! Take this extra step to ensure your home remains dry, comfortable and mold-free.

Unleash Your Digital World: FREE WI-FI for all UH Residents!

NSA Naples: Interactive Customer Evaluation (ICE) System

Every feedback is welcomed, good or bad, that's the surest way to help the installation improve services and quality of life in the community

By NSA Naples Public Affairs

The Interactive Customer Evaluation (ICE) system is a web-based tool that collects feedback on services provided by various organizations throughout the Department of Defense (DoD) including here at NSA Naples. Feedback can be positive (give a shout-out) or negative (report an issue). A combination of both is what helps us improve our services to better serve you.

Benefits of ICE:

- Allows community members to quickly and easily provide feedback to service provider managers on the installation.
- Gives NSA Naples leadership timely data on service quality.
- Allows service provider managers to benchmark their performance against like services in other DoD organizations.
- Saves money by providing an enterprise-wide capability to manage the resources necessary to collect and report on customer feedback and satisfaction ratings.

Do I get a response after submission?

Generally, if you provided contact information at the time of submitting an ICE Comment, it will be responded to within two weeks.

Response to your ICE Comment

COMMENT:

The center toilet Seat in the women's restroom in Bella Napoli has been broken. When will this be repaired so that all stalls may be used?

RESPONSE:

The Public Works Department (PWD) has implemented an online system to expedite the resolution of facility issues. For faster resolution, report future issues using the following link, also available on the Navy Life Naples App under the PWD tab: [PWD Online Service Request System](#)

Best way to submit an ICE comment?

- Visit the [ICE](#) website
- Navigate to the appropriate service provider managers link
- Input your comments and be specific
- Recommendations are welcomed
- Provide contact info if you require a response

Your ICE Comment Shout-outs!

MVRO

Guisy is number 1 she is amazing!!! She helped with 3 vehicles. She is so efficient and outstanding!!! I can't explain how grateful I am for her!! We need more people working as hard as Guisy not only in the MVRO but in Naples!!! She made my day! I am so happy she is helping sailors on Capodichino!!!

SECURITY

A few weeks ago my husband and I had MA2 Bearden, MA3 Beals (and 1 or 2 others on duty I didn't identify) aid us in an extremely difficult and stressful situation. Their exceptional efforts during this particularly challenging time was greatly appreciated. The willingness to go above and beyond was immensely helpful. Thank you for providing such invaluable assistance when we needed it most. The support was much-needed and very appreciated! Please make sure the higher-ups know what an asset to the command they are!!

PERSONAL PROPERTY SHIPPING OFFICE

Ms. Anna Merlo provided exceptional customer service. I initially visited the office to seek assistance regarding my online shipment application issue. However, she proactively guided me through the entire application process, ensuring its completion on-site. While others might have simply answered my question and directed me to complete the application independently, Ms. Merlo demonstrated an exemplary commitment to service by going above and beyond to ensure my application was fully submitted. Thank you Ms. Merlo, we need more like you.

POST OFFICE

PO3 Rivera was extremely helpful in locating a mislabeled package for my command. He exhausted all of his abilities and was eventually able to track it down. Thank you again for the support and keep up the good work!

HOUSING WAREHOUSE

I wanted to put in a big thanks to the housing warehouse staff for unexpectedly impressive service. Around 18:00 yesterday we realized our refrigerator was not working and so we called in a service order. I did not expect to see a new refrigerator until tomorrow. I had even gone out to buy ice for the cooler to put our food in. But when I came back the housing warehouse team was parked in front of our apartment and the replacement refrigerator was upstairs. Please pass on my thanks to the folks who brought a refrigerator up two floors of stairs at 19:00.

Emergency Preparedness Awareness

Emergency preparedness helps you prepare your household for any situation.

Have a Plan, Build a Kit, and Stay Informed.

Always stay ready in the case of an emergency by checking out the resources on our Emergency Management website at: [Emergency Management Webpage](#)

These resources exist to help your households construct an emergency kit and plan and learn how to respond and react to earthquakes (Drop, Cover, and Hold).

Additionally, you can stay informed about local earthquakes through the Italian Istituto Nazionale di Geofisica e Vulcanologia (Italian National Institute of Geophysics & Volcanology) link here: [Italian National Institute of Geophysics and Volcanology Website](#)

For more resources on staying informed as a household, see Federal Emergency Management Agency (FEMA) link here: [FEMA Website](#)

Remember that emergency preparedness helps you prepare your household for any situation. Have a Plan, Build a Kit, and Stay Informed.

Community Leisure & Entertainment

Local Lens: The Month of May

By Paolo Cutillo, Contributing Writer

The season begins again. After the first days of May, the atmosphere begins to shift.

With the holiday behind it, the city moves outdoors again. Across the area, open-air events start to return—small festivals, community gatherings, weekend markets, and cultural activities that bring people back into shared spaces. Parks and waterfronts become lively meeting points, filled with music, conversation, and the easy rhythm of spring turning into summer.

In places like Real Bosco di Capodimonte, Lungomare di Napoli, Reggia di Caserta and Reggia di Carditello it's common to find groups gathering for events or simply enjoying the longer evenings together. So check with the MWR office for the upcoming events in your area or simply ask your neighbors (better if they are locals).

There's a quiet sense of anticipation in the air. Not yet the peak of summer, but the beginning of a season built on connection, shared moments, and rediscovering the city—one event at a time.

USO YOUTH PROGRAMS

AFTER SCHOOL CRAFT ATTACK

EVERY WEDNESDAY FROM 1345 TO 1445 AT THE USO SUPPORT SITE VILLAGE FORUM.

Stop by the USO after school for a snack and craft! No need to stay and craft — just dash in and grab your weekly take-home kit with a fun snack included!

Each week brings a new themed project — from seasonal decorations to friendship bracelets — designed for families to enjoy together at home and strengthen bonds through creativity.

Important to Know:

- While supplies last.
- Children must be accompanied by a parent, adult, or legal guardian to receive a kit and snack.
- For safety reasons (choking hazards, allergies, and parental choice), we cannot provide kits or snacks to unaccompanied children.

Security

SAFETY AWARENESS REMINDERS

Stay Vigilant

NSA Naples personnel and families are reminded to stay alert and aware of your surroundings at all times – both locally and while traveling.

While there are no specific, credible threats at this time, vigilance remains crucial for your safety and security.

We strongly encourage everyone to enroll in the Smart Traveler Enrollment Program (STEP).

In the event of an emergency, NSA Naples Emergency Dispatch is available 24/7:

DSN 911 +39-081-568 4911

Important Notice: Off-Base Traffic Accident Reporting Procedures

Attention NSA Naples personnel and families: if you're involved in an off-base traffic accident and local police did not respond, you are strongly encouraged to complete a Voluntary Statement at the Capodichino or Support Site security precincts as soon as possible.

This may be needed for insurance claims, as Italian authorities cannot issue retroactive reports. Timely documentation is essential.

NSA Naples Security Precincts are open 24/7. **FOR EMERGENCIES, CALL EMERGENCY DISPATCH AT:**

DSN: Dial 9-1-1
 COMM: +39 081-568-4911
 Capodichino Security Desk:
 DSN: 626-2207, COMM: (+39) 081-568-2207
 Support Site Security Desk:
 DSN: 629-4269, COMM: (+39) 081-811-4269

Reserved Parking Requirement

When parking in designated parking spaces onboard NSA Naples Support Site and Capodichino, personnel must display their associated parking placard.

Failure to display the placard may result in ticketing and/or booting of your vehicle

Gate Hours

Holiday hours will be posted on Facebook.

Public Works

LOVE YOUR SPACE THE MOST

Building Manager (BM) best practices:

- Know who they are.
- Meet with them regularly.
- Set expectations (attend training & zone inspections; track incomplete work).

Have a plan!

Know the PWD Naples Call for Work timeline for each fiscal year.

Service Requests:

We can't fix what we don't know about! Submit, track, follow-up if incomplete!

Four ways to submit:

1. Through the Base App
2. Call the PWD Trouble Desk (DSN: 626-4981 / COMM: +39 081-568-4981)
3. PWDNaplesTroubleDesk@us.navy.mil
4. Scan the QR code

Pride Zone

Sign up for a zone and schedule quarterly events

- Take automatic ownership of common spaces and 10m from your front door. These spaces are a reflection of you.
- PWD will provide self-help capability by getting basic tools to improve your spaces.
- Contact NSA Naples Command Master Chief for more information on how to sign up for a space.

Elevate and communicate

If it doesn't get fixed, utilize the chain of command

- Level 1: BM ↔ PWD FOS/PAR.
- Level 2: BM/ Staff ↔ APWO.
- Level 3: Triad ↔ PWO.

Public Service Announcements

Just CONNECT.

FREE WiFi is Here in UH Facilities.
Provided by Navy Morale, Welfare and Recreation.

For more information about this program, visit NavyMWR.org/wifinext

To sign up for FREE or subsidized WiFi visit the NEX Residential Services Office. For assistance regarding Telecom Italia wireless services or network connectivity issues, go to NavyMWR.org/wifinext.

Free Wi-Fi in Unaccompanied Housing

Free and subsidized high-speed Internet is available to military who live in NSA Naples Unaccompanied Housing (UH). This Wi-Fi service allows connectivity for entertainment, training, education and wellness for all UH residents.

Each UH resident is eligible for one account (subsequent accounts will be deactivated).

UH residents may choose between:

- Free Internet (up to 30 Mbps download / 5 Mbps upload filtered service)
- Two subsidized paid packages with higher speeds (up to 20 Mbps or 40 Mbps with unfiltered access). For paid plan prices: [Link Here](#). Paid packages contracts are at a one-week or one-month rate.

Speeds are per device, with a maximum of five devices.

There is no termination fee to change or cancel a paid plan.

To sign up for free Internet or to register for a paid package, go to NEX Residential Services in the NEX Mall on Support Site. Residential Services hours are Monday-Saturday, 9 a.m.-6 p.m.

For details on the Wi-Fi service and Frequently Asked Questions: [Link Here](#)

LEGAL CORNER

Don't Let Your Sojourner's Permit Expire! Check the Expiration Date!

For those with Sojourner Permits, it is essential to know when your permits expire. The expiration date is written in European format of DAY--MONTH--YEAR. If your Sojourner Permit is set to expire within the next 60 days AND your orders, contract or sponsor's orders extend beyond that expiration date, you must begin the permit renewal process.

INFORMATION ON THE ELECTRONIC SOJOURNER'S PERMIT PROCESS

All current Sojourner's permit holders and first-time applicants to include GS Civilians, DoD Contractors, and all dependents. Active duty do not require a Sojourner's Permit, but please review this information carefully, as it may affect your dependents.

CURRENT PROCESS:

- For first-time applicants, renewals, and current holders that reside in the Napoli Province, Sojourner Permit processing is being conducted on base at NSA Naples Capodichino, Chapel's Fellowship Hall, BY APPOINTMENT ONLY.
- For first-time applicants, renewals, current permit holders who reside in the Caserta Province (including NSA Naples Support Site), Sojourner Permit processing is being conducted at the Caserta Immigration Office, BY APPOINTMENT ONLY. There is no on-base processing capability at this time.
- All initial appointments are facilitated by RLSO EURAFCENT Legal Assistance Office for USN/USMC personnel residing in the Naples and Caserta provinces.

What Do You Need To Do?

1. If you have recently submitted your paperwork for a first-time application or a renewal application, you do not need to take further action now. We will notify you via email on the next steps, according to instructions from the Immigration office.
2. If you already have a current paper Sojourner's Permit, you do not need to take further action now. You will be contacted by our office when it is time to begin the process to convert it into an electronic permit, according to instructions from the Immigration office.
3. If you have a paper Sojourner's Permit that expires between now and June, you must contact RLSO EURAFCENT at napleslegalassistance@us.navy.mil for a renewal request appointment. Our specialist will collect the required paperwork for the application, but you will hold onto your paper permit until your appointment with the immigration police.
4. **KEEP YOUR SOJOURNER PERMIT APPLICATION RECEIPT!!** Upon submitting an electronic Sojourner's Permit application (first-time application or renewal) to the Italian Immigration Police, you will be issued an official receipt (small piece of paper). This receipt contains your PROTOCOL NUMBER (application number) which is ESSENTIAL to check the status of your Sojourner's Permit online. The protocol number always begins with the reference year and the abbreviation of the city where the application was filed:

- For Naples: begins with 26NA + six digits
- For Caserta: begins with 26CE + six digits

This receipt, along with your passport and your expiring/expired sojourner's permit (if any), is REQUIRED to pick up your sojourner's permit once it is ready. If you do not bring the original receipt, you will NOT be allowed to collect your electronic sojourner's permit. If the receipt is lost or stolen, you must first file a formal loss report with the Italian Police or the Carabinieri, which can be used in lieu of the original receipt to pick up your permit. Without the receipt or a proper Italian police report, you CANNOT PICK UP your electronic Sojourner's Permit.

For questions, contact RLSO EURAFCENT Legal Assistance

OCONUS Emergency Travel Assistance Grant

Grant Program for Military Members

Aligning with the American Red Cross mission of helping military members prepare for, cope with, and respond to the challenges of military service, Service to the Armed Forces (SAF) is implementing the OCONUS Emergency Travel Assistance Grant.

This program will provide financial assistance to military members, including National Guard and Reserve, actively serving Foreign Outside the Continental United States (F-OCONUS) who are currently on or about to begin emergency leave.

All categories of emergency leave are eligible for this grant. Service members must provide a copy of their emergency leave orders. Eligible service members will be awarded a \$500 grant.

The OCONUS Emergency Travel Assistance Grant will be available for a limited time based on the availability of funds.

To apply, please contact the Hero Care Center at 1-877-272-7337.

American Red Cross

Service to the Armed Forces

This limited-time program provides \$500 grants to active-duty military members (including activated National Guard/Reserve members) who are:

- Stationed Foreign OCONUS (F-OCONUS)
- Currently on or about to begin emergency leave or ordinary leave under emergency conditions. (Service member must be able to provide a copy of their emergency leave orders.)

We're sorry you're going through a difficult time and we're here for you. Call the American Red Cross Hero Care Center at (+1) 877-272-7337 to speak to a specialist who'll help you apply.

For additional information, please contact us at naples@redcross.org or stop by your local Red Cross office in Building 450 on Capodichino.

PREP and PLATE

Living well starts with taking care of your whole self: your mind, body, spirit and social life.

Taking care of your body starts with eating healthy.

Look for healthy, easy meal ideas on recipes posted throughout the Commissary. The recipes have been approved by the Naval Hospital dietitian. Ingredients are located near the recipe, so you can grab and go!

Scan here for all healthy recipes.

Prep & Plate: Healthy Eating Made Easy for All: Prep & Plate is making healthy eating at home easier than ever with our new QR code menu featuring recipes approved by the U.S. Naval Hospital Naples Dietitian. These recipes, located in Aisle 8 at the Naples Commissary, are perfect for families and single service members alike. Scan the QR code or follow the link to discover a variety of healthy meal options at your disposal. **Link here: [DeCA Prep and Plate](#)**

CAPODICHINO HOV/Ride-Share Program

Help reduce traffic and parking issues at Capodichino by joining the new HOV/Ride-Share Program!

Who Can Apply?

- A carpool group with at least two other people (three people minimum) who regularly commute to and from work at Capodichino.

How to Apply:

1. Fill out the registration form ([Enclosure 6](#)) found in the NSA Naples Parking Policy or scan the QR code below.
2. Email the completed form to the NSA Naples Pass and ID Office: nsanaplessecpassid@us.navy.mil

How Selection Works:

1. The NSA Naples Pass and ID Office, in coordination with the NSA Naples XO, will review all applications.
2. If selected, you will receive carpool parking privileges for SIX months.
3. After six months, your privileges will end.
4. You can re-apply six months later allowing others a chance to participate.

SPACE IS LIMITED

Only 12 parking spots are available, program rules will be strictly enforced. Only park in the space when ride-sharing.

Did someone say tour! We were able to give the 3rd grade classes of NSA Naples Elementary School a tour of the Commissary and explain the ins and out of where they shop with their families.

Store Director's Scoop:
Store Director | Dennis.D.Holm.civ@mail.mil | +39-081-811-4871

Here at the Commissary, we are working on being the grocery provider of choice for our eligible patrons. You will see daily savings throughout the store to reach our goal of saving you the patron on average 25% from your shopping experience. We understand how important this benefit is to you overseas. Getting the items, you know, is import to us. Our procurement team is working non-stop to get us all the products we can to keep our shelves full for you. When the supply chain issues come around, they find alternatives to help us get what we need.

Find our store Web page:
 Did you know our store has its own pages on the commissary website? [Click here](#) for the "NSA Naples Commissary" webpage.

Subscribe to Express Line: If you would like to subscribe to Express Line, send an email to: dennis.d.holm.civ@mail.mil Include "Subscribe me to Express Line" in the subject line.

Career Opportunities available in DeCA
 If you are interested in working at NSA Naples Commissary apply for a Store Associate position. When we have an opening, we will pull from the list of applicants that are found. If you would like to be a part of the DeCA team apply using this QRC code:

Looking for nutrient-rich foods? Look for the DAT

Choosing nutrient-rich foods from your commissary just got a whole lot easier with the relaunch of the Nutrition Guide Program. The Dietitian Approved Thumb (DAT) is a point-of-purchase nutrition identification program that makes it easier for shoppers to find products based on many nutrition attributes. These products are identified by the DAT tag. It's a unique resource to commissaries, no other retailer has this type of program.

To learn more, click [HERE](#).

Getting Fit in 2026:

The [Physical Activity Guidelines for Americans](#) provides information that helps Americans make healthy choices for themselves and their families, and discusses evidence-based, community-level interventions that can make being physically active the easy choice in all the places where people live, learn, work, and play.

Regular physical activity is one of the most important things people can do to improve their health. Moving more and sitting less has tremendous benefits for everyone, regardless of age, sex, race, ethnicity, or current fitness level.

To learn more, click [HERE](#).

Your Everyday Savings (YES!)

Now even more savings on the items you love! "Your Everyday Savings!" (YES!) just got better! We're lowering prices even further on the items our customers purchase most. You can enjoy YES! items whether you're stateside or OCONUS. Our goal is to have our customers save \$25 for every \$100 you spend at your commissary.

Hundreds of items including milk, eggs, fresh meats, bananas, cleaning products and much more are available for great savings. Just look for the bright orange YES! Label in-store to start saving now!

RESUME SUBMISSION GUIDELINES

- Naming Convention: Use a professional filename for your resume. Something like "FirstName_LastName_Resume.pdf" is ideal. Avoid names like "resume_final.doc"
- Keep it resume concise: 1-2 pages maximum
- Cover Letter: Consider your email as the cover letter
- Double-Check Attachments: Make sure you have actually attached the correct resume before hitting "send."

AFN Naples 97.3

Town Hall

Taking place at Support Site, Town Halls are Facilitated once a quarter to address community questions and concerns. The event is always livestreamed on the NSA Naples Facebook Page. See the date for the next event in the latest edition of the Naples Navigator.

Coffee with the Skipper

Geared towards spouses, Coffee with the Skipper offers a unique opportunity to connect with NSA Naples leadership, share insights, and discuss community matters - all over a fresh cup of coffee in good company. See next event date in the latest edition of the Naples Navigator.

Pizza with the CMC

This is an opportunity for E-1 to E-6 single servicemembers to share thoughts, ask questions and get feedback from leadership; usually with a complementary lunch. Monitor the NSA Naples information channels listing the announcement of these events.

AO / INDOC: Area Orientation

Mandatory orientation for all personnel PCSing to Naples where critical information about Naples, the NSA Naples installation, and more are shared. Get the basics about navigating life in Naples! See the date for the next event in the latest edition of the Naples Navigator.

ICE: Interactive Customer Evaluation

The Interactive Customer Evaluation (ICE) system is a web-based tool that collects feedback on services provided. This is how we get feedback from YOU to make improvements

Submit an ICE

Stay Connected to NSA Naples Quality of Life Programs
