

## **Tyler Farr Press Release**

Country singer-songwriter Tyler Farr will be touring with Armed Forces Entertainment (AFE) this summer as part of its annual Heat Wave summer event series. The tour, which will feature four performances, runs from June 26 to July 4, 2026.

Recognized as “one of the best male vocalists in Country music today” (Taste of Country), Tyler Farr has made a significant impact on the genre with his powerful voice and authentic storytelling. Farr burst onto the country music scene with the release of his debut album, “Redneck Crazy,” which quickly climbed to number 2 on the Billboard Country Albums Chart and number 5 on the Billboard Top 200. His breakout single, the Platinum-selling title track “Redneck Crazy,” solidified his place in the industry, leading to a string of successes.

Tyler Farr has notched three number 1 hits, including the emotionally charged “Whiskey in My Water” and the poignant “A Guy Walks Into a Bar.” His sophomore album, “Suffer in Peace,” continued his rise to stardom, debuting in the Top 5 on both the Billboard Top 200 Albums and Billboard Country Albums Charts. This achievement made him the only solo male country artist in the past decade to have his first two studio albums debut in the Top 5 on the Billboard 200 Chart.

Beyond his chart-topping hits, Farr is known for his deep connection to the military and his love for the outdoors. His dedication to his craft and down-to-earth personality have earned him a devoted fanbase and prestigious touring opportunities alongside country heavyweights like Jason Aldean, Florida Georgia Line, Luke Combs, Brantley Gilbert and Lee Brice.

With his opera-trained voice and no-nonsense approach to music, Tyler Farr continues to captivate audiences. His recent collaborations and releases, including the true-blue country anthem “Country As Shit” featuring Jelly Roll, showcase his ability to stay true to his roots while evolving as an artist. As he continues to create music that resonates with fans, Tyler Farr remains a formidable force in country music.
